Here is the PROGRAM:

This year the Mauritius Attitude Challenge will held 2 competition in 1.

MAURITIUS IFCA Grand Prix

This is a windsurf race with 5000€ prize money.

Men, women & youth (minimum of 5 required) category with the Asian & African title for individual ranking.

The dates will be for the **2nd to the 6th of September**. Prize giving will be held at the Zilwa Attitude hotel on the 6th.

Most races will be held at the Zilwa Attitude hotel. All competitors will be able to leave their equipment at the hotel even if they don't stay.

With Robby (SA Team) we will organise a bus every day from Pte Desny to Zilwa & back after races. Price TBC.

If the race is held the next day either at Le Morne or Pte Desny, lorries will be organised **from Zilwa** to bring equipment & participants.

MAURITIUS ATTITUDE CHALLENGE

The waiting period will be from the **2nd to the 9th of September** with 2000€ prize money.

This competition is focussed on TEAM result. It will combine results from the IFCA GP & the long distance races.

The major race of the event will be called the **Arnaud de Rosnay Crossing**. This will be the longest marathon race ever organized & directed by Mr Prilippe Bru from the Defi Wind.

Both Windsurf & Kitesurf will be starting on the same start line but will have different course & result. Depending on the conditions, the target is to do twice the normal crossing from Pte Desny to Ile aux Cerf & back. This will be approximately **80km !!!**

You can enter whatever your level of skill & fitness... There will also be a shooter, one way race called the Jenna Cup...

The **prize giving** will be held at the Club Nautic of Pte Desny on the 9th.

INSCRIPTIONS:

IFCA : 150€ *before 26th of August*

<https://registration.internationalwindsurfing.com/en/events/register/id/106>

Arnaud de Rosnay Crossing : 50€ *before 1st of August with Robby*

No need if already IFCA competitor.

Just a final detail : the windiest day from the 2nd to the 9th will be chosen to the Crossing ! If wind is looking good for the 9th, this will be the ideal day for the crossing.

If the wind is good at the Zilwa, all races of the IFCA will be held in this beautiful lagoon with different types of course.

We will move to le Morne only in case of lack of wind.
