The Myanmar event started with the pre-Sea Games regatta – a big practice run for the 2013 Sea Games to be held in December at Ngwe Saung Beach. The [RS:One](#) Class represented the biggest fleet (27 racers) amongst other sailing classes such as the Optimist, 420 and lasers. Thailand, Myanmar, Singapore, Indonesia and Malaysia sent their best racers to battle in the rough Myanmar sea. Thailand was initially dominating but Myanmar's young racers, who started windsurfing only eight months ago, delivered memorable performances and results.
