RACE SIGNALS

The meanings of visual and sound signals are stated below. An arrow pointing up or down (↑ ↓) means that a visual signal is displayed or removed. A dot (●) means a sound; five short dashes (― ― ― ― ―) mean repetitive sounds; a long dash (—) means a long sound. When a visual signal is displayed over a class flag, the signal applies only to that class.

Postponement Signals

AP Races not started are postponed. The warning signal will be made 1 minute after removal unless at that time the race is postponed again or abandoned.

AP over H Races not started are postponed. Further signals ashore.

AP over A Races not started are postponed. No more racing today.

Postponement of 1–9 hours from the scheduled starting time.

Abandonment Signals

N All races that have started are abandoned. Return to the starting area. The warning signal will be made 1 minute after removal unless at that time the race is abandoned again or postponed.

INTRODUCTION

*The Windsurfing Competition Rules for 2017-2020* (WCR) has been created as a convenient book for use at windsurfing events. The rules in it are identical to the corresponding rules in *The Racing Rules of Sailing for 2017-2020*. However, each rule in Appendix B in the general rules has been inserted in this book at the appropriate place, followed by its rule number in Appendix B in [brackets]. For example, rule 18.1 in the general rules is shown as rule 18.1 in this book and is followed by ‘[B2.18.1]. Like the general rulebook, this book includes two main sections. The first, Parts 1–7, contains rules that affect all windsurfing competitors. The second, Appendices A–T and Addendum SL, provides details of rules, rules that apply to particular kind of sailing, and rules that affect only a small number of competitors or officials.

**Terminology**

A term used in the sense stated in the Definitions is printed in italics or, in preambles, in bold italics (for example, *racing* and **racing**).

Each of the terms in the table below is used in *The Racing Rules of Sailing* with the meaning given.

<table>

Other words and terms are used in the sense ordinarily understood in nautical or general use.
**Introduction**

**Notation**  The notation ‘[DP]’ in a rule means that the penalty for a breach of the rule may, at the discretion of the protest committee, be less than disqualification. Guidelines for discretionary penalties are available on the World Sailing website.

**Revision**  The racing rules are revised and published every four years by World Sailing, the international authority for the sport. This edition becomes effective on 1 January 2017 except that for an event beginning in 2016 the date may be postponed by the notice of race and sailing instructions. Marginal markings indicate important changes to Parts 1–7 and the Definitions in the 2013–2016 edition. No changes are contemplated before 2021, but any changes determined to be urgent before then will be announced through national authorities and posted on the World Sailing website.

**Appendices**  When the rules of an appendix apply, they take precedence over any conflicting rules in Parts 1–7 and the Definitions. Each appendix is identified by a letter. A reference to a rule in an appendix will contain the letter and the rule number (for example, ‘rule A1’). The letters I, O and Q are not used to designate appendices in this book. Appendices B, C, E and P are not included in this book.

**World Sailing Codes**  The World Sailing Codes are listed in the table below. The codes are published in the World Sailing Regulations.

These Codes are referred to in the definition Rule but are not included in this book because they can be changed at any time. The most recent versions of the codes are published on the World Sailing website; new versions will be announced through national authorities.

**Cases**  World Sailing publishes interpretations of the racing rules in *The Case Book for 2017–2020* and recognizes them as authoritative interpretations and explanations of the rules. It also publishes *The Book for Team Racing for 2017-2020* and recognizes them as authoritative only for umpired team racing. These publications are available on the World Sailing website.
DEFINITIONS

A term used as stated below is shown in italic type or, in preambles, in bold italic type. The meaning of several other terms is given in Terminology in the Introduction.

**Abandon**  A race that a race committee or protest committee *abandons* is void but may be resailed.

**Capsized** [B. Definitions] A board is *capsized* when she is not under control because her sail or the competitor is in the water.

**Clear Astern and Clear Ahead; Overlap** One board is *clear astern* of another when her hull and equipment in normal position are behind a line abeam from the aftermost point of the other board’s hull and equipment in normal position. The other board is *clear ahead*. They *overlap* when neither is *clear astern*. However, they also *overlap* when a board between them *overlaps* both. These terms always apply to boards on the same tack. They apply to boards on opposite *tacks* only when rule 18 applies between them or when both boards are sailing more than ninety degrees from the true wind.

**Conflict of Interest**  A person has a *conflict of interest* if he/she
(a) may gain or lose as a result of a decision to which he/she contributes,
(b) may reasonably appear to have a personal or financial interest which could affect his/her ability to be impartial, or
(c) has a close personal interest in a decision.

**Fetching**  A board is *fetching a mark* when she is in a position to pass to windward of it and leave it on the required side without changing *tack*.

**Finish**  A board *finishes* when any part of her hull, or crew or equipment in normal position, crosses the finishing line from the course side. However, she has not *finished* if after crossing the finishing line she
(a) takes a penalty under rule 44.2,
(b) corrects an error under rule 28.2 made at the line, or
(c) continues to sail the course.

**Keep Clear**  A board *keeps clear* of a right-of-way board
(a) if the right-of-way board can sail her course with no need to take avoiding action and,
(b) when the boards are overlapped, if the right-of-way board can also change course in both directions without immediately making contact.

**Leeward and Windward** A board’s leeward side is the side that is or, when she is head to wind, was away from the wind. However, when sailing by the lee or directly downwind, her leeward side is the side on which her sail lies. The other side is her windward side. When two boards on the same tack overlap, the one on the leeward side of the other is the leeward board. The other is the windward board.

**Mark** An object the sailing instructions require a board to leave on a specified side, and a race committee vessel surrounded by navigable water from which the starting or finishing line extends. An anchor line or an object attached accidentally to a mark is not part of it.

**Mark-Room** [B.Definitions] Mark-Room for a board is room to sail her proper course to round or pass the mark. However, mark-room for a board does not include room to tack unless she is overlapped inside and to windward of the board required to give mark-room and she would be fetching the mark after her tack.

**Obstruction** An object that a board could not pass without changing course substantially, if she were sailing directly towards it and one of her hull lengths from it. An object that can be safely passed on only one side and an area so designated by the sailing instructions are also obstructions. However, a board racing is not an obstruction to other boards unless they are required to keep clear of her or, if rule 23 applies, avoid her. A vessel under way, including a board racing, is never a continuing obstruction.

**Overlap** See Clear Astern and Clear Ahead; Overlap.

**Party** A party to a hearing is

(a) for a protest hearing: a protestor, a protestee;

(b) for a request for redress: a board requesting redress or for which redress is requested, a race committee acting under rule 60.2(b), a technical committee acting under rule 60.4(b);

(c) for a request for redress under rule 62.1(a): the body alleged to have made an improper action or omission;

(d) a person against whom an allegation of a breach of rule 69 is made; a person presenting an allegation under rule 69;

(e) a support person subject to a hearing under rule 60.3(d).

However, the protest committee is never a party.

**Postpone** A postponed race is delayed before its scheduled start but may be started or abandoned later.
DEFINITIONS

Proper Course  A course a board would sail to finish as soon as possible in the absence of other boards referred to in the rule using the term. A board has no proper course before her starting signal.

Protest  An allegation made under rule 61.2 by a board, a race committee, a technical committee or a protest committee that a board has broken a rule.

Racing  A board is racing from her preparatory signal until she finishes and clears the finishing line and marks or retires, or until the race committee signals a general recall, postponement or abandonment.

Room  The space a board needs in the existing conditions, including space to comply with her obligations under the rules of Part 2 and rule 31, while manoeuvring promptly in a seamanlike way.

Rounding or Passing  A board is rounding or passing a mark from the time her proper course is to begin to manoeuvre to round or pass it, until the mark has been rounded or passed.

Rule
(a) The rules in this book, including the Definitions, Race Signals, Introduction, preambles and the rules of relevant appendices, but not titles;
(b) World Sailing Advertising Code, Anti-Doping Code, Betting and Anti-Corruption Code, Disciplinary Code, Eligibility Code, Sailor Classification Code, respectively Regulations 20, 21, 37, 35, 19 and 22;
(c) the prescriptions of the national authority, unless they are changed by the notice of race or sailing instructions in compliance with the national authority’s prescription, if any, to rule 88.2;
(d) the class rules (for a board racing under a handicap or rating system, the rules of that system are ‘class rules’);
(e) the notice of race;
(f) the sailing instructions; and
(g) any other documents that govern the event.

Start  A board starts when, having been entirely on the pre-start side of the starting line at or after her starting signal, and having complied with rule 30.1 if it applies, any part of her hull, competitor or equipment crosses the starting line in the direction of the first mark.

Support Person  Any person who
(a) provides, or may provide, physical or advisory support to a competitor, including any coach, trainer, manager, team staff, medic, paramedic or
any other person working with, treating or assisting a competitor in or preparing for the competition, or
(b) is the parent or guardian of a competitor.

**Tack, Starboard or Port** [B.Definitions] A board is on the *tack*, *starboard* or *port*, corresponding to the competitor’s hand that would be nearer the mast if the competitor were in normal sailing position with both hands on the wishbone and arms not crossed. A board is on *starboard tack* when the competitor’s right hand would be nearer the mast and is on *port tack* when the competitor’s left hand would be nearer the mast.

[B.Definitions] The definition *Zone* is deleted.

The following definitions apply to Expression Competition [B11.Definitions]

**Coming In and Going Out** A board sailing in the same direction as the incoming surf is *coming in*. A board sailing in the direction opposite to the incoming surf is *going out*.

**Jumping** A board is *jumping* when she takes off at the top of a wave while going out.

**Overtaking** A board is *overtaking* from the moment she gains an *overlap* from *clear astern* until the moment she is *clear ahead* of the *overtaken* board.

**Possession** The first board sailing shoreward immediately in front of a wave has *possession* of that wave. However, when it is impossible to determine which board is first the windward board has *possession*.

**Recovering** A board is *recovering* from the time her sail or, when water-starting, the competitor is out of the water until she has steerage way.

**Surfing** A board is *surfing* when she is on or immediately in front of a wave while *coming in*.

**Transition** A board changing *tacks*, or taking off while *coming in*, or one that is not *surfing*, *jumping*, *capsized*, or *recovering* is in *transition*. 
BASIC PRINCIPLES

SPORTSMANSHIP AND THE RULES

Competitors in the sport of sailing are governed by a body of rules that they are expected to follow and enforce. A fundamental principle of sportsmanship is that when competitors break a rule they will promptly take a penalty, which may be to retire.

ENVIRONMENTAL RESPONSIBILITY

Participants are encouraged to minimize any adverse environmental impact of the sport of sailing.

WINDSURFING COMPETITION RULES

Windsurfing races shall be sailed under The Racing Rules of Sailing as changed by Appendix B or equivalently under the Windsurfing Competition Rules (WCR). Wherever a rule of Appendix B appears in these Windsurfing Competition Rules, its rule number is stated in brackets. The term ‘boat’ elsewhere in the racing rules means ‘board’ or ‘boat’ as appropriate. The term ‘heat’ means one elimination race, a ‘round’ consists of several heats, and an ‘elimination series’ consists of one or more rounds. However, in speed competition, a ‘round’ consists of one or more speed ‘runs’.

A windsurfing event can include one or more of the following disciplines or their formats:

<table>
<thead>
<tr>
<th>Discipline</th>
<th>Formats</th>
</tr>
</thead>
<tbody>
<tr>
<td>Racing</td>
<td>Course racing; Slalom; Marathon; Short track; Border cross; Crossing</td>
</tr>
<tr>
<td>Expression</td>
<td>Wave performance; Freestyle</td>
</tr>
<tr>
<td>Speed</td>
<td>Standard Offshore Speed Course; Speed Crossings; Alpha Speed Course</td>
</tr>
</tbody>
</table>

In racing or expression competition, boards may compete in elimination series, and only a limited number of them may advance from round to round. A marathon race is a race scheduled to last more than one hour.

In expression competition, a board’s performance is judged on skill and variety rather than speed and is organized using elimination series. Either wave performance or freestyle competition is organized, depending on the wave conditions at the venue.

In speed competition, a board’s performance is based on her speed over a measured course. Boards take turns sailing runs over the course.
PART 1
FUNDAMENTAL RULES

1 SAFETY
1.1 Helping Those in Danger
A competitor shall give all possible help to any person or vessel in danger.

1.2 Life-Saving Equipment and Personal Flotation Devices
A board shall carry adequate life-saving equipment for all persons on board, including one item ready for immediate use, unless her class rules make some other provision. Each competitor is individually responsible for wearing a personal flotation device adequate for the conditions.

2 FAIR SAILING
A board and her owner shall compete in compliance with recognized principles of sportsmanship and fair play. A board may be penalized under this rule only if it is clearly established that these principles have been violated. The penalty shall be either disqualification or disqualification that is not excludable.

3 ACCEPTANCE OF THE RULES
3.1 (a) By participating or intending to participate in a race conducted under these rules, each competitor and board owner agrees to accept these rules.
(b) A support person by providing support, or a parent or guardian by permitting their child to enter a race, agrees to accept the rules.

3.2 Each competitor and board owner agrees, on behalf of their support persons, that such support persons are bound by the rules.

3.3 Acceptance of the rules includes agreement
(a) to be governed by the rules;
(b) to accept the penalties imposed and other action taken under the rules, subject to the appeal and review procedures provided in them, as the final determination of any matter arising under the rules;
(c) with respect to any such determination, not to resort to any court of law or tribunal not provided for in the rules; and
(d) by each competitor and board owner to ensure that their support persons are aware of the rules.
Part 1  FUNDAMENTAL RULES

3.4 The person in charge of each board shall ensure that the competitor and the board’s owner are aware of their responsibilities under this rule.

3.5 This rule may be changed by a prescription of the national authority of the venue.

4  DECISION TO RACE
The responsibility for a board’s decision to participate in a race or to continue racing is hers alone.

5  ANTI-DOPING
A competitor shall comply with the World Anti-Doping Code, the rules of the World Anti-Doping Agency, and World Sailing Regulation 21, Anti-Doping Code. An alleged or actual breach of this rule shall be dealt with under Regulation 21. It shall not be grounds for a protest and rule 63.1 does not apply.

6  BETTING AND ANTI-CORRUPTION
Each competitor, board owner and support person shall comply with World Sailing Regulation 37, Betting and Anti-Corruption Code. An alleged or actual breach of this rule shall be dealt with under Regulation 37. It shall not be grounds for a protest and rule 63.1 does not apply.

7  DISCIPLINARY CODE
Each competitor, board owner and support person shall comply with World Sailing Regulation 35, Disciplinary, Appeals and Review Code (referred to as ‘Disciplinary Code’ elsewhere). An alleged or actual breach of this rule shall be dealt with under Regulation 35. It shall not be grounds for a protest and rule 63.1 does not apply.
PART 2
WHEN BOARDS MEET

The rules of Part 2 apply between boards that are sailing in or near the racing area and intend to race, are racing, or have been racing. However, a board not racing shall not be penalized for breaking one of these rules, except rule 14 when the incident resulted in injury or serious damage, or rule 24.1.

When a board sailing under these rules meets a vessel that is not, she shall comply with the International Regulations for Preventing Collisions at Sea (IRPCAS) or government right-of-way rules. If the sailing instructions so state, the rules of Part 2 are replaced by the right-of-way rules of the IRPCAS or by government right-of-way rules.

SECTION A
RIGHT OF WAY

A board has right of way over another board when the other board is required to keep clear of her. However, some rules in Sections B, C and D limit the actions of a right-of-way board.

10 ON OPPOSITE TACKS
When boards are on opposite tacks, a port-tack board shall keep clear of a starboard-tack board.

11 ON THE SAME TACK, OVERLAPPED
When boards are on the same tack and overlapped, a windward board shall keep clear of a leeward board.

12 ON THE SAME TACK, NOT OVERLAPPED
When boards are on the same tack and not overlapped, a board clear astern shall keep clear of a board clear ahead.

13 [B2.13] WHILE TACKING
After a board passes head to wind, she shall keep clear of other boards until her sail has filled. During that time rules 10, 11 and 12 do not apply. If two boards are subject to this rule at the same time, the one on the other’s port side or the one astern shall keep clear.
SECTION B
GENERAL LIMITATIONS

14 AVOIDING CONTACT
A board shall avoid contact with another board if reasonably possible. However, a right-of-way board or one entitled to room or mark-room
(a) need not act to avoid contact until it is clear that the other board is not keeping clear or giving room or mark-room, and
(b) shall be exonerated if she breaks this rule and the contact does not cause damage or injury.

15 ACQUIRING RIGHT OF WAY
When a board acquires right of way, she shall initially give the other board room to keep clear, unless she acquires right of way because of the other board’s actions.

16 CHANGING COURSE
16.1 When a right-of-way board changes course, she shall give the other board room to keep clear.
16.2 In addition, when after the starting signal a port-tack board is keeping clear by sailing to pass astern of a starboard-tack board, the star-board-tack board shall not change course if as a result the port-tack board would immediately need to change course to continue keeping clear.

17 [B2.17] ON THE SAME TACK BEFORE A REACHING START
When, at the warning signal, the course to the first mark is approximately ninety degrees from the true wind, a board overlapped to leeward of another board on the same tack during the last 30 seconds before her starting signal shall not sail above the shortest course to the first mark while they remain overlapped if as a result the other board would need to take action to avoid contact, unless in doing so she promptly sails astern of the other board.

SECTION C
AT MARKS AND OBSTRUCTIONS

Section C rules do not apply at a starting mark surrounded by navigable water or at its anchor line from the time boards are approaching them to start until they have passed them.
18 [B2.18] MARK-ROOM

18.1 When Rule 18 Applies
Rule B2.18 applies between boards when they are required to leave a mark on the same side and at least one of them is rounding or passing it. However, it does not apply
(a) between boards on opposite tacks on a beat to windward,
(b) between boards on opposite tacks when the proper course at the mark for one but not both of them is to tack,
(c) between a board approaching a mark and one leaving it, or
(d) if the mark is a continuing obstruction, in which case rule 19 applies.

18.2 Giving Mark-Room
(a) When boards are overlapped, the outside board shall give the inside board mark-room, unless rule 18.2(b) applies.
(b) If boards are overlapped when the first of them is rounding or passing, the outside board at that moment shall thereafter give the inside board mark-room. If a board is clear ahead when she is rounding or passing, the board clear astern at that moment shall thereafter give her mark-room.
(c) When a board is required to give mark-room by rule B2.18.2(b), she shall continue to do so even if later an overlap is broken or a new overlap begins.
(d) Rules B2.18.2(b) and (c) cease to apply when the board entitled to mark-room has been given that mark-room, or if she passes head to wind.
(e) If there is reasonable doubt that a board obtained or broke an overlap in time, it shall be presumed that she did not.
(f) If a board obtained an inside overlap from clear astern or by tacking to windward of the other board and, from the time the overlap began, the outside board has been unable to give mark-room, she is not required to give it.

18.3 Rule 18.3 is deleted.

18.4 [B2.18.4] Gybing or Bearing Away
When an inside overlapped right-of-way board must gybe or bear away at a mark to sail her proper course, until she gybes or bears away she shall sail no farther from the mark than needed to sail that course. Rule B2.18.4 does not apply at a gate mark.
19 ROOM TO PASS AN OBSTRUCTION

19.1 When Rule 19 Applies
Rule 19 applies between two boards at an obstruction except
(a) when the obstruction is a mark, the boards are required to leave on the same side, or
(b) when rule 18 applies between the boards and the obstruction is another board overlapped with each of them.

However, at a continuing obstruction, rule 19 always applies and rule 18 does not.

19.2 Giving Room at an Obstruction
(a) A right-of-way board may choose to pass an obstruction on either side.
(b) When boards are overlapped, the outside board shall give the inside board room between her and the obstruction, unless she has been unable to do so from the time the overlap began.
(c) While boards are passing a continuing obstruction, if a board that was clear astern and required to keep clear becomes overlapped between the other board and the obstruction and, at the moment the overlap begins, there is not room for her to pass between them, she is not entitled to room under rule 19.2(b). While the boards remain overlapped, she shall keep clear and rules 10 and 11 do not apply.

20 ROOM TO TACK AT AN OBSTRUCTION

20.1 Hailing
A board may hail for room to tack and avoid a board on the same tack. However, she shall not hail unless
(a) she is approaching an obstruction and will soon need to make a substantial course change to avoid it safely, and
(b) she is sailing close-hauled or above.

In addition, she shall not hail if the obstruction is a mark and a board that is fetching it would be required to change course as a result of the hail.

20.2 Responding
(a) After a board hails, she shall give a hailed board time to respond.
(b) A hailed board shall respond even if the hail breaks rule 20.1.
(c) A hailed board shall respond either by tacking as soon as possible, or by immediately replying ‘You tack’ and then giving the hailing board room to tack and avoid her.

(d) When a hailed board responds, the hailing board shall tack as soon as possible.

(e) From the time a board hails until she has tacked and avoided a hailed board, rule 18.2 does not apply between them.

20.3 Passing On a Hail to an Additional Board
When a board has been hailed for room to tack and she intends to respond by tacking, she may hail another board on the same tack for room to tack and avoid her. She may hail even if her hail does not meet the conditions of rule 20.1. Rule 20.2 applies between her and a board she hails.

SECTION D
OTHER RULES

When rule 22 or 23 applies between two boards, Section A rules do not.

21 EXONERATION
When a board is sailing within the room or mark-room to which she is entitled, she shall be exonerated if, in an incident with a board required to give her that room or mark-room, she breaks a rule of Section A, rule 15 or rule 16.

22 STARTING ERRORS; TAKING PENALTIES; BACKING A SAIL
22.1 A board sailing towards the pre-start side of the starting line or one of its extensions after her starting signal to start or to comply with rule 30.1 shall keep clear of a board not doing so until she is completely on the pre-start side.

22.2 A board taking a penalty shall keep clear of one that is not.

22.3 A board moving astern, or sideways to windward, through the water by backing a sail shall keep clear of one that is not.

23 [B2.23] CAPSIZED, AGROUND; RESCUING
23.1 [B2.23.1] If possible, a board shall avoid a board that is capsized or has not regained control after capsizing, is aground, or is trying to help a person or vessel in danger.
23.2 [B2.23.2] If possible, a board that is capsized or aground shall not interfere with another board.

24 [B2.24] INTERFERING WITH ANOTHER BOARD; SAIL OUT OF WATER

24.1 If reasonably possible, a board not racing shall not interfere with a board that is racing.

24.2 If reasonably possible, a board shall not interfere with a board that is taking a penalty, sailing on another leg or subject to rule 22.1. However, after the starting signal this rule does not apply when the board is sailing her proper course.

24.3 [B2.24.3] In the last minute before her starting signal, a board shall have her sail out of the water and in a normal position, except when accidentally capsized.

SECTION E
RULES FOR OTHER DISCIPLINES

RULES FOR EXPRESSION AND SPEED COMPETITIONS

The rules of Part 2 are deleted and replace by:

(a) COMING IN AND GOING OUT

A board coming in shall keep clear of a board going out. When two boards are going out or coming in while on the same wave, or when neither is going out or coming in, a board on port tack shall keep clear of the one on starboard tack.

(b) BOARDS ON THE SAME WAVE, COMING IN

When two or more boards are on a wave coming in, a board that does not have possession shall keep clear.

(c) CLEAR ASTERN, CLEAR AHEAD AND OVERTAKING

A board clear astern and not on a wave shall keep clear of a board clear ahead. An overtaking board that is not on a wave shall keep clear.

(d) TRANSITION

A board in transition shall keep clear of one that is not. When two boards are in transition at the same time, the one on the other’s port side or the one astern shall keep clear.
(e) JUMPING
A board that is jumping shall keep clear of one that is not.

E2 [B12 Part 2(a),(b),(d)] Rules for Speed Competition

(a) WATER STARTING
A board shall not water start on the course or in the starting area, except to sail off the course to avoid boards that are making, or about to make, a run.

(b) LEAVING THE COURSE AREA
A board leaving the course area shall keep clear of boards making a run.

(c) RETURNING TO THE STARTING AREA
A board returning to the starting area shall keep clear of the course.
PART 3
CONDUCT OF A RACE

25   NOTICE OF RACE, SAILING INSTRUCTIONS AND SIGNALS
25.1 The notice of race and sailing instructions shall be made available to each board before a race begins.
25.2 The meanings of the visual and sound signals stated in Race Signals shall not be changed except under rule 86.1(b). The meanings of any other signals that may be used shall be stated in the notice of race or sailing instructions.
25.3 When the race committee is required to display a flag as a visual signal, it may use a flag or other object of a similar appearance.

26   STARTING RACES
26.1 [B3.26.1] System 1

Races shall be started by using the following signals. Times shall be taken from the visual signals; the absence of a sound signal shall be disregarded.
### 26.3 System 3 (for Beach Starts)

(a) When the starting line is on the beach, or so close to the beach that the competitor must stand in the water to *start*, the start is a beach start.

(b) The starting stations shall be numbered so that station 1 is the most windward one. Unless the sailing instructions specify some other system, a board’s starting station shall be determined:

1. for the first race or round of the event, by draw, or
2. for any race or round after the first one, by her place in the previous race or heat (The first place on station 1, the second place on station 2, and so on.).

(c) After boards have been called to take their positions, the race committee shall make the preparatory signal by displaying a red flag with one sound. The starting signal shall be made, at any time after the preparatory signal, by removing the red flag with one sound.

(d) After the starting signal each board shall take the shortest route from her starting station to the water and then to her sailing position without interfering with other boards. Part 2 rules will apply when both of the competitor’s feet are on the board.

27 OTHER RACE COMMITTEE ACTIONS BEFORE THE STARTING SIGNAL

27.1 No later than the warning signal, the race committee shall signal or otherwise designate the course to be sailed if the sailing instructions have not stated the course, and it may replace one course signal with another and signal that wearing personal flotation devices is required (display flag Y with one sound).

27.2 No later than the preparatory signal, the race committee may move a starting mark.

27.3 Before the starting signal, the race committee may for any reason postpone (display flag AP, AP over H, or AP over A, with two sounds) or abandon the race (display flag N over H, or N over A, with three sounds).

28 SAILING THE COURSE

28.1 A board shall start, sail the course described in the sailing instructions and finish. While doing so, she may leave on either side a mark that does not begin, bound or end the leg she is sailing. After finishing she need not cross the finishing line completely.

28.2 A string representing a board’s track from the time she begins to approach the starting line from its pre-start side to start until she finishes shall, when drawn taut,

(a) pass each mark on the required side and in the correct order,
(b) touch each rounding mark, and
(c) pass between the marks of a gate from the direction of the previous mark.

She may correct any errors to comply with this rule, provided she has not finished.
29 RECALLS

29.1 Individual Recall
When at a board’s starting signal any part of her hull, crew or equipment is on the course side of the starting line or she must comply with rule 30.1, the race committee shall promptly display flag X with one sound. The flag shall be displayed until all such boards have sailed completely to the pre-start side of the starting line or one of its extensions and have complied with rule 30.1, if it applies, but no later than four minutes after the starting signal or one minute before any later starting signal, whichever is earlier. If rule 30.3 or 30.4 applies, this rule does not.

29.2 General Recall
When at the starting signal the race committee is unable to identify boards that are on the course side of the starting line or to which rule 30 applies, or there has been an error in the starting procedure, the race committee may signal a general recall (display the First Substitute with two sounds). The warning signal for a new start for the recalled class shall be made one minute after the First Substitute is removed (one sound), and the starts for any succeeding classes shall follow the new start.

29.3 [B10.29] RECALLS IN ELIMINATION SERIES
For a race of an elimination series that will qualify a board to compete in a later stage of an event, rule 29 is changed to:
(a) When at a board’s starting signal any part of her hull, crew or equipment is on the course side of the starting line, the race committee shall signal a general recall.
(b) If the race committee acts under rule B10.29(a) and the board is identified, she shall be disqualified without a hearing, even if the race is abandoned. The race committee shall hail or display her sail number, and she shall leave the course area immediately. If the race is restarted or resailed, she shall not sail in it.
(c) If the race was completed but was later abandoned by the protest committee, and if the race is resailed, a board disqualified under rule B10.29(b) may sail in it.

30 STARTING PENALTIES

30.1 I Flag Rule
If flag I has been displayed, and any part of a board’s hull, crew or equipment is on the course side of the starting line or one of its
extensions during the last minute before her starting signal, she shall sail across an extension to the pre-start side before starting.

30.2 **Z Flag Rule**

If flag Z has been displayed, no part of a board’s hull, crew or equipment shall be in the triangle formed by the ends of the starting line and the first *mark* during the last minute before her starting signal. If a board breaks this rule and is identified, she shall receive, without a hearing, a 20% Scoring Penalty calculated as stated in rule 44.3(c). She shall be penalized even if the race is restarted or resailed, but not if it is *postponed* or *abandoned* before the starting signal. If she is similarly identified during a subsequent attempt to start the same race, she shall receive an additional 20% Scoring Penalty.

30.3 **U Flag Rule**

If flag U has been displayed, no part of a board’s hull, crew or equipment shall be in the triangle formed by the ends of the starting line and the first *mark* during the last minute before her starting signal. If a board breaks this rule and is identified, she shall be disqualified without a hearing, but not if the race is restarted or resailed.

30.4 **Black Flag Rule**

If a black flag has been displayed, no part of a board’s hull, crew or equipment shall be in the triangle formed by the ends of the starting line and the first *mark* during the last minute before her starting signal. If a board breaks this rule and is identified, she shall be disqualified without a hearing, even if the race is restarted or resailed, but not if it is *postponed* or *abandoned* before the starting signal. If a general recall is signalled or the race is *abandoned* after the starting signal, the race committee shall display her sail number before the next warning signal for that race, and if the race is restarted or resailed she shall not sail in it. If she does so, her disqualification shall not be excluded in calculating her series score.

31 **[B3.31] TOUCHING A MARK**

A board may touch a *mark* but shall not hold on to it.

32 **SHORTENING OR ABANDONING AFTER THE START**

32.1 After the starting signal, the race committee may shorten the course (display flag S with two sounds) or *abandon* the race (display flag N, N over H, or N over A, with three sounds),

(a) because of foul weather,

(b) because of insufficient wind making it unlikely that any board will *finish* within the time limit,
Part 3  CONDUCT OF A RACE

(c) because a mark is missing or out of position, or
(d) for any other reason directly affecting the safety or fairness of the competition.

In addition, the race committee may shorten the course so that other scheduled races can be sailed, or abandon the race because of an error in the starting procedure. However, after one board has sailed the course and finished within the time limit, if any, the race committee shall not abandon the race without considering the consequences for all boards in the race or series.

32.2 If the race committee signals a shortened course (displays flag S with two sounds), the finishing line shall be,

(a) at a rounding mark, between the mark and a staff displaying flag S;
(b) a line the course requires boards to cross; or
(c) at a gate, between the gate marks.

The shortened course shall be signalled before the first board crosses the finishing line.

33  CHANGING THE NEXT LEG OF THE COURSE

The race committee may change a leg of the course that begins at a rounding mark or at a gate by changing the position of the next mark (or the finishing line) and signalling all boards before they begin the leg. The next mark need not be in position at that time.

(a) If the direction of the leg will be changed, the signal shall be the display of flag C with repetitive sounds and one or both of

(1) the new compass bearing,
(2) a green triangle for a change to starboard or a red rectangle for a change to port.

(b) If the length of the leg will be changed, the signal shall be the display of flag C with repetitive sounds and a ‘−’ if the length will be decreased or a ‘+’ if it will be increased.

(c) Subsequent legs may be changed without further signalling to maintain the course shape.

34  MARK MISSING

If a mark is missing or out of position, the race committee shall, if possible,

(a) replace it in its correct position or substitute a new one of similar appearance, or
(b) substitute an object displaying flag M and make repetitive sound signals.
35  **TIME LIMIT AND SCORES**

If one board sails the course as required by rule 28 and *finishes* within the time limit, if any, all boards that *finish* shall be scored according to their finishing places unless the race is *abandoned*. If no board *finishes* within the time limit, the race committee shall *abandon* the race.

36  **RACES RESTARTED OR RESAILED**

If a race is restarted or resailed, a breach of a *rule* in the original race, or in any previous restart or resail of that race, shall not

(a) prohibit a board from competing unless she has broken rule 29 or 30.4; or

(b) cause a board to be penalized except under rule 30.2, 30.4 or 69 or under rule 14 when she has caused injury or serious damage.

37  **[B10.37] ELIMINATION SERIES INCLUDING HEATS**

*Rule B10.37 applies in elimination series in which boards compete in heats.*

37.1  **Elimination Series Procedure**

(a) Competition shall take the form of one or more elimination series. Each of them shall consist of either rounds in a single elimination series where only a number of the best scorers advance, or rounds in a double elimination series where boards have more than one opportunity to advance.

(b) Boards shall sail one against another in pairs, or in groups determined by the elimination ladder. The selected form of competition shall not be changed while a round remains uncompleted.

37.2  **Seeding and Ranking Lists**

(a) When a seeding or ranking list is used to establish the heats of the first round, places 1–8 (four heats) or 1–16 (eight heats) shall be distributed evenly among the heats.

(b) For a subsequent elimination series, if any, boards shall be reassigned to new heats according to the ranking in the previous elimination series.

(c) The organizing authority’s seeding decisions are final and are not grounds for a request for redress.
37.3 **Heat Schedule**

The schedule of heats shall be posted on the official notice board no later than 30 minutes before the starting signal for the first heat.

37.4 **Advancement and Byes**

(a) In racing and expression competition, the boards in each heat to advance to the next round shall be announced by the race committee no later than 10 minutes before the starting signal for the first heat. The number advancing may be changed by the protest committee as a result of a redress decision.

(b) In expression competition, any first-round byes shall be assigned to the highest-seeded boards.

(c) In wave performance competition, only the winner of each heat shall advance to the next round.

(d) In freestyle competition, boards shall advance to the next round as follows: from an eight-board heat, the best four advance, and the winner will sail against the fourth and the second against the third; from a four-board heat, the best two advance and will sail against each other.

37.5 **Finals**

(a) The final shall consist of a maximum of three races. The race committee shall announce the number of races to be sailed in the final no later than 5 minutes before the warning signal for the first final race.

(b) A runners-up final may be sailed after the final. All boards in the semi-final heats that failed to qualify for the final may compete in it.

38 **[B11.38]** EXPRESSION COMPETITION - REGISTRATION; COURSE AREA; HEAT DURATION

(a) Boards shall register with the race committee the colours and other particulars of their sails, or their identification according to another method stated in the sailing instructions, no later than the starting signal for the heat two heats before their own.

(b) The course area shall be defined in the sailing instructions and posted on the official notice board no later than 10 minutes before the starting signal for the first heat. A board shall be scored only while sailing in the course area.

(c) Any change in heat duration shall be announced by the race committee no later than 15 minutes before the starting signal for the first heat in the next round.
(d) Rule B10.37.4 applies.

39  [B12.Part2(e), (f), (g), (h)] RULES FOR SPEED COMPETITION

(e) MAXIMUM NUMBER OF RUNS FOR EACH BOARD
The maximum number of runs that may be made by each board in a round shall be announced by the race committee no later than 15 minutes before the starting signal for the first round.

(f) DURATION OF A ROUND
The duration of a round shall be announced by the race committee no later than 15 minutes before the starting signal for the next round.

(g) CONDITIONS FOR ESTABLISHING A RECORD
The minimum distance for a world record is 500 meters. Other records may be established over shorter distances. The course shall be defined by posts and transits ashore or by buoys afloat. Transits shall not converge.

(h) VERIFICATION RULES
(1) An observer appointed by the World Sailing Speed Record Council shall be present and verify run times and speeds at world record attempts. The race committee shall verify run times and speeds at other record attempts.

(2) A competitor shall not enter the timing control area or discuss any timing matter directly with the timing organization. Any timing question shall be directed to the race committee.
PART 4
OTHER REQUIREMENTS WHEN RACING

Part 4 rules apply only to boards racing unless the rule states otherwise.

40 PERSONAL FLOTATION DEVICES
When flag Y is displayed with one sound before or with the warning signal, competitors shall wear personal flotation devices, except briefly while changing or adjusting clothing or personal equipment. When flag Y is displayed ashore, this rule applies at all times while afloat. Wet suits and dry suits are not personal flotation devices.

41 OUTSIDE HELP
41.1 A board shall not receive help from any outside source, except
(a) help for a crew member who is ill, injured or in danger;
(b) after a collision, help from the crew of the other vessel to get clear;
(c) help in the form of information freely available to all boards;
(d) unsolicited information from a disinterested source, which may be another board in the same race.

   However, a board that gains a significant advantage in the race from help received under rule 41(a) may be protested and penalized; any penalty may be less than disqualification.

41.2 [B11.41.2] (for Expression Competition)
An assistant may provide replacement equipment to a board. The assistant shall not interfere with other competing boards. A board whose assistant interferes with another board may be penalized at the discretion of the protest committee.

42 [B4.42] PROPULSION
A board shall be propelled only by the action of the wind on the sail, by the action of the water on the hull and by the unassisted actions of the competitor. However, significant progress shall not be made by paddling, swimming or walking.
43 COMPETITOR CLOTHING AND EQUIPMENT

43.1 (a) [B4.43.1(a)] Competitors shall not wear or carry clothing or equipment for the purpose of increasing their weight. However, a competitor may wear a drinking container that shall have a capacity of at least one litre and weigh no more than 1.5 kilograms when full.

(b) Furthermore, a competitor’s clothing and equipment shall not weigh more than 8 kilograms, excluding a hiking or trapeze harness and clothing (including footwear) worn only below the knee. Class rules or sailing instructions may specify a lower weight or a higher weight up to 10 kilograms. Class rules may include footwear and other clothing worn below the knee within that weight. A hiking or trapeze harness shall have positive buoyancy and shall not weigh more than 2 kilograms, except that class rules may specify a higher weight up to 4 kilograms. Weights shall be determined as required by Appendix H.

43.2 Deleted

44 PENALTIES AT THE TIME OF AN INCIDENT

44.1 [B4.44.1] Taking a Penalty
A board may take a 360°-Turn Penalty when she may have broken one of more rules of Part 2 in an incident while racing. The sailing instructions may specify the use of some other penalty. However, if the board caused injury or serious damage or, despite taking a penalty, gained a significant advantage in the race or series by her breach, her penalty shall be to retire.

44.2 [B4.44.2] 360°-Turn Penalty
After getting well clear of other boards as soon after the incident as possible, a board takes a 360°-Turn Penalty by promptly making a 360° turn with no requirement for a tack or a gybe. When a board takes the penalty at or near the finishing line, she shall sail completely to the course side of the line before finishing.

PART 5
PROTESTS, REDRESS, HEARINGS, MISCONDUCT AND APPEALS

SECTION A
PROTESTS; REDRESS; RULE 69 ACTION

60  RIGHT TO PROTEST; RIGHT TO REQUEST REDRESS OR RULE 69 ACTION

60.1  [B.60.1(a)] A board may
   (a) protest another board, but not for an alleged breach of a rule of Part 2 or rule 31 unless she was involved in the incident; or
   (b) request redress.

60.2 A race committee may
   (a) protest a board, but not as a result of information arising from a request for redress or an invalid protest, or from a report from a person with a conflict of interest other than the representative of the board herself;  
   (b) request redress for a board; or
   (c) report to the protest committee requesting action under rule 69.2(b).

60.3 A protest committee may
   (a) protest a board, but not as a result of information arising from a request for redress or an invalid protest, or from a report from a person with a conflict of interest other than the representative of the board herself. However, it may protest a board
      (1) if it learns of an incident involving her that may have resulted in injury or serious damage, or
      (2) if during the hearing of a valid protest it learns that the board, although not a party to the hearing, was involved in the incident and may have broken a rule;
   (b) call a hearing to consider redress;
   (c) act under rule 69.2(b); or
   (d) call a hearing to consider whether a support person has broken a rule, based on its own observation or information received from any source, including evidence taken during a hearing.
60.4 A technical committee may
(a) protest a board, but not as a result of information arising from a request for redress or an invalid protest, or from a report from a person with a conflict of interest other than the representative of the board herself. However, it shall protest a board if it decides that
(1) a board has broken a rule of Part 4, but not rules 41, 42, 44 and 46, or
(2) a board or personal equipment does not comply with the class rules;
(b) request redress for a board; or
(c) report to the protest committee requesting action under rule 69.2(b).

60.5 However, neither a board nor a committee may protest for an alleged breach of rule 5, 6, 7 or 69.

61 PROTEST REQUIREMENTS

61.1 [B.61.1] Informing the Protestee
(a) A board intending to protest shall inform the other board at the first reasonable opportunity. When her protest will concern an incident in the racing area that she was involved in, she shall hail ‘Protest’. She shall also inform the race committee of her intention to protest as soon as practicable after she finishes or retires. However,
(1) if the other board is beyond hailing distance, the protesting board need not hail but she shall inform the other board at the first reasonable opportunity;
(2) if the hull length of the protesting boat is less than 6 metres, she need not display a red flag;
(3) if the incident was an error by the other board in sailing the course, she need not hail or display a red flag but she shall inform the other board either before or at the first reasonable opportunity after the other board finishes;
(4) if as a result of the incident a competitor of either board is in danger, or there is injury or serious damage that is obvious to the board intending to protest, the requirements of this rule do not apply to her, but she shall attempt to inform the other board within the time limit of rule 61.3.
(b) If the race committee, technical committee or protest committee intends to protest a board concerning an incident the committee
observed in the racing area, it shall inform her after the race within the time limit of rule 61.3. In other cases, the committee shall inform the board of its intention to protest as soon as reasonably possible.

(c) If the protest committee decides to protest a board under rule 60.3(a)(2), it shall inform her as soon as reasonably possible, close the current hearing, proceed as required by rules 61.2 and 63, and hear the original and the new protests together.

61.2 Protest Contents

A protest shall be in writing and identify
(a) the protestor and protestee;
(b) the incident;
(c) where and when the incident occurred;
(d) any rule the protestor believes was broken; and
(e) the name of the protestor’s representative.

However, if requirement (b) is met, requirement (a) may be met at any time before the hearing, and requirements (d) and (e) may be met before or during the hearing. Requirement (c) may also be met before or during the hearing, provided the protestee is allowed reasonable time to prepare for the hearing.

61.3 Protest Time Limit

A protest by a board, or by the race committee, technical committee or protest committee about an incident the committee observed in the racing area, shall be delivered to the race office within the protest time limit stated in the sailing instructions. If none is stated, the time limit is two hours after the last board in the race finishes. Other race committee, technical committee or protest committee protests shall be delivered to the race office no later than two hours after the committee receives the relevant information. The protest committee shall extend the time if there is good reason to do so.

62 REDRESS

62.1 A request for redress or a protest committee’s decision to consider redress shall be based on a claim or possibility that a board’s score or place in a race or series has been or may be, through no fault of her own, made significantly worse by
(a) an improper action or omission of the race committee, protest committee, organizing authority or technical committee for the event, but not by a protest committee decision when the board was a party to the hearing;

(b) [B.62.1(b)] injury, physical damage or capsize because of the action of
(1) a board that broke a rule of Part 2 and took the appropriate penalty or was penalized, or
(2) a vessel not racing that was required to keep clear.
(c) giving help (except to herself) in compliance with rule 1.1; or
(d) an action of a boat, or a competitor of her, that resulted in a penalty under rule 2 or a penalty or warning under rule 69.2(h).

62.2 A request shall be in writing and identify the reason for making it. If the request is based on an incident in the racing area, it shall be delivered to the race office within the protest time limit or two hours after the incident, whichever is later. Other requests shall be delivered as soon as reasonably possible after learning of the reasons for making the request. The protest committee shall extend the time if there is good reason to do so. No red flag is required.

62.2 [B.10.63.6] Deleted (for events that include elimination)

SECTION B
HEARINGS AND DECISIONS

63 HEARINGS

63 [B.10.63] For a race of an elimination series that will qualify a board to compete in a later stage of an event, rules 61.2 and 65.2 are deleted and rule 63.6 is changed.

63.1 Requirement for a Hearing
A board or competitor shall not be penalized without a protest hearing, except as provided in rules 30.2, 30.3, 30.4, 64.3(d), 69, 78.2, A5 and P2. A decision on redress shall not be made without a hearing. The protest committee shall hear all protests and requests for redress that have been delivered to the race office unless it allows a protest or request to be withdrawn.

63.2 Time and Place of the Hearing; Time for Parties to Prepare
All parties to the hearing shall be notified of the time and place of the hearing, the protest or redress information shall be made available to
them, and they shall be allowed reasonable time to prepare for the
hearing.

63.2 [B10.63.6] Deleted (for events that include elimination)

63.3 Right to Be Present

(a) A representative of each party to the hearing has the right to be
present throughout the hearing of all the evidence. When a protest
claims a breach of a rule of Part 2, 3 or 4, the representatives of
boards shall have been on board at the time of the incident, unless
there is good reason for the protest committee to rule otherwise.
Any witness, other than a member of the protest committee, shall
be excluded except when giving evidence.

(b) If a party to the hearing of a protest or request for redress does not
come to the hearing, the protest committee may nevertheless
decide the protest or request. If the party was unavoidably absent,
the committee may reopen the hearing.

63.4 Conflict of Interest

(a) A protest committee member shall declare any possible conflict of
interest as soon as he is aware of it. A party to the hearing who
believes a member of the protest committee has a conflict of
interest shall object as soon as possible. A conflict of interest
declared by a protest committee member shall be included in the
written information provided under rule 65.2.

(b) A member of a protest committee with a conflict of interest shall
not be a member of the committee for the hearing, unless
(1) all parties consent, or
(2) the protest committee decides that the conflict of interest is
   not significant.

(c) When deciding whether a conflict of interest is significant, the
protest committee shall consider the views of the parties, the level
of the conflict, the level of the event, the importance to each party,
and the overall perception of fairness.

(d) However, for World Sailing major events, or for other events as
prescribed by the national authority of the venue, rule 63.4(b) does
not apply and a person who has a conflict of interest shall not be a
member of the protest committee.

63.5 Validity of the Protest or Request for Redress

At the beginning of the hearing the protest committee shall take any
evidence it considers necessary to decide whether all requirements for
the protest or request for redress have been met. If they have been met,
the protest or request is valid and the hearing shall be continued. If not, the committee shall declare the protest or request invalid and close the hearing. If the protest has been made under rule 60.3(a)(1), the committee shall also determine whether or not injury or serious damage resulted from the incident in question. If not, the hearing shall be closed.

63.6 Taking Evidence and Finding Facts
The protest committee shall take the evidence of the parties present at the hearing and of their witnesses and other evidence it considers necessary. A member of the protest committee who saw the incident shall, while the parties are present, state that fact and may give evidence. A party present at the hearing may question any person who gives evidence. The committee shall then find the facts and base its decision on them.

63.6 [B.10.63] Taking Evidence and Finding Facts (for Elimination Series)
Protests and requests for redress need not be in writing; they shall be made orally to a member of the protest committee as soon as reasonably possible following the race. The protest committee may take evidence in any way it considers appropriate and may communicate its decision orally.

63.7 Conflict Between Rules
If there is a conflict between two or more rules that must be resolved before the protest committee makes a decision, the committee shall apply the rule that it believes will provide the fairest result for all boards affected. Rule 63.7 applies only if the conflict is between rules in the notice of race, the sailing instructions, or any of the other documents that govern the event under item (g) of the definition Rule.

63.8 Protests Between Boards in Different Races
A protest between boards sailing in different races conducted by different organizing authorities shall be heard by a protest committee acceptable to those authorities.

64 DECISIONS
64.1 Penalties and Exoneration
When the protest committee decides that a board that is a party to a protest hearing has broken a rule and is not exonerated, it shall disqualify her unless some other penalty applies. A penalty shall be imposed whether or not the applicable rule was mentioned in the protest. If a board has broken a rule when not racing, her penalty shall apply to the race sailed nearest in time to that of the incident. However,
(a) when as a consequence of breaking a *rule* a board has compelled another board to break a *rule*, the other board shall be exonerated.

(b) if a board has taken an applicable penalty, she shall not be further penalized under this rule unless the penalty for a *rule* she broke is a disqualification that is not excludable from her series score.

(c) if the race is restarted or resailed, rule 36 applies.

64.1 **[B12.64.1] Penalties for Speed events**

Rule 64.1 is deleted and replaced by:

(a) If a board fails to comply with a rule, she may be warned. If a board is warned a second time during the same round, she shall be excluded by the race committee from the remainder of the round. A list of the sail numbers of boards that have received warnings or have been excluded shall be posted on a notice board near the finishing line.

(b) A board observed in the course area after having been excluded from a round shall be excluded from the competition without a hearing, and none of her previous times or results shall be valid.

(c) Any breach of the verification rules may result in exclusion from one or more rounds or from the competition.

(d) **[B12.Part2 (c)] Course Control**

When the race committee points an orange flag at a board, she is penalized and run shall not be counted.

64.2 **Decisions on Redress**

When the protest committee decides that a board is entitled to redress under rule 62, it shall make as fair an arrangement as possible for all boards affected, whether or not they asked for redress. This may be to adjust the scoring (see rule A10 for some examples) or finishing times of boards, to *abandon* the race, to let the results stand or to make some other arrangement. When in doubt about the facts or probable results of any arrangement for the race or series, especially before *abandoning* the race, the protest committee shall take evidence from appropriate sources.

64.3 **Decisions on Protests Concerning Class Rules**

(a) When the protest committee finds that deviations in excess of tolerances specified in the class rules were caused by damage or normal wear and do not improve the performance of the board, it shall not penalize her. However, the board shall not *race* again until the deviations have been corrected, except when the protest committee decides there is or has been no reasonable opportunity to do so.
(b) [B5.64.3(b)] When the protest committee is in doubt about a matter concerning the measurement of a board, the meaning of a class rule, or damage to a board, it shall refer its questions, together with the relevant facts, to an authority responsible for interpreting the rule. In making its decision, the committee shall be bound by the reply of the authority.

(c) When a board is penalized under a class rule and the protest committee decides that the board also broke the same rule in earlier races in the same event, the penalty may be imposed for all such races. No further protest is necessary.

(d) When a board penalized under a class rule states in writing that she intends to appeal, she may compete in subsequent races without changes to the board. However, if she fails to appeal or the appeal is decided against her, she shall be disqualified without a further hearing from all subsequent races in which she competed.

(e) Measurement costs arising from a protest involving a class rule shall be paid by the unsuccessful party unless the protest committee decides otherwise.

64.4 Decisions Concerning Support Persons

(a) When the protest committee decides that a support person who is a party to a hearing has broken a rule, it may

(1) issue a warning,
(2) exclude the person from the event or venue or remove any privileges or benefits, or
(3) take other action within its jurisdiction as provided by the rules.

(b) The protest committee may also penalize a competitor for the breach of a rule by a support person by changing the board’s score in a single race, up to and including DSQ, when the protest committee decides that

(1) the competitor may have gained a competitive advantage as the result of the breach by the support person, or
(2) the support person commits a further breach after the competitor has been warned by the protest committee that a penalty may be imposed.

65 INFORMING THE PARTIES AND OTHERS

65.1 After making its decision, the protest committee shall promptly inform the parties to the hearing of the facts found, the applicable rules, the decision, the reasons for it, and any penalties imposed or redress given.
65.2 A party to the hearing is entitled to receive the above information in writing, provided she asks for it in writing from the protest committee no later than seven days after being informed of the decision. The committee shall then promptly provide the information, including, when relevant, a diagram of the incident prepared or endorsed by the committee.

65.2 [B.10.63] Deleted (for events that include elimination)

65.3 When the protest committee penalizes a board under a class rule, it shall send the above information to the relevant class rule authorities.

66 REOPENING A HEARING

The protest committee may reopen a hearing when it decides that it may have made a significant error, or when significant new evidence becomes available within a reasonable time. It shall reopen a hearing when required by the national authority under rule 71.2 or R5. A party to the hearing may ask for a reopening no later than 24 hours after being informed of the decision. On the last scheduled day of racing the request shall be delivered

(a) within the protest time limit if the requesting party was informed of the decision on the previous day;
(b) no later than 30 minutes after the party was informed of the decision on that day.

When a hearing is reopened, a majority of the members of the protest committee shall, if possible, be members of the original protest committee.

67 [Prescription of IWA] DAMAGES

67.1 Any claim for damages arising from an incident while the board is bound by Windsurfing Competition Rules shall be subject to the jurisdiction of the courts or insurance companies and not consider by the protest committee.

67.2 A board that takes a penalty or retires does not thereby admit liability for damages or that she has broken a rule.
SECTION C
MISCONDUCT

69 MISCONDUCT

69.1 Obligation not to Commit Misconduct; Resolution

(a) A competitor, board owner or support person shall not commit an act of misconduct.

(b) Misconduct is:

(1) conduct that is a breach of good manners, a breach of good sportsmanship, or unethical behavior; or

(2) conduct that may bring the sport into disrepute.

(c) An allegation of a breach of rule 69.1(a) shall be resolved in accordance with the provisions of rule 69. It shall not be grounds for a protest and rule 63.1 does not apply.

69.2 Action by a Protest Committee

(a) A protest committee acting under this rule shall have at least three members.

(b) When a protest committee, from its own observation or from information received from any source, including evidence taken during a hearing, believes a person may have broken rule 69.1(a), it shall decide whether or not to call a hearing.

(c) When the protest committee needs more information to make the decision to call a hearing, it shall consider appointing a person or persons to conduct an investigation. These investigators shall not be members of the protest committee that will decide the matter.

(d) When an investigator is appointed, all relevant information he gathers, favourable or unfavourable, shall be disclosed to the protest committee, and if the protest committee decides to call a hearing, to the parties.

(e) If the protest committee decides to call a hearing, it shall promptly inform the person in writing of the alleged breach and of the time and place of the hearing and follow the procedures in rules 63.2, 63.3(a), 63.4 and 63.6 except that:

(1) unless a person has been appointed by World Sailing, a person may be appointed by the protest committee to present the allegation.

(2) a person against whom an allegation has been made under this rule shall be entitled to have an advisor and a representative with him who may act on his behalf.
(f) If the person is unable to attend the hearing and
   (1) provides good reason, the protest committee shall reschedule it; or
   (2) does not provide good reason and does not come to it, the protest committee may conduct it without the person present.

(g) The standard of proof to be applied is the test of the comfortable satisfaction of the protest committee, bearing in mind the seriousness of the alleged misconduct. However, if the standard of proof in this rule conflicts with the laws of a country, the national authority may, with the approval of World Sailing, change it with a prescription to this rule.

(h) When the protest committee decides that a competitor or board owner has broken rule 69.1(a), it may take one or more of the following actions
   (1) issue a warning;
   (2) change their board’s score in one or more races, including disqualification(s) that may or may not be excluded from her series score;
   (3) exclude the person from the event or venue or remove any privileges or benefits; and
   (4) take any other action within its jurisdiction as provided by the rules.

(i) When the protest committee decides that a support person has broken rule 69.1(a), rule 64.4 applies.

(j) If the protest committee
   (1) imposes a penalty greater than one DNE;
   (2) excludes the person from the event or venue; or
   (3) in any other case if it considers it appropriate,
   it shall report its findings, including the facts found, its conclusions and decision to the national authority of the person or, for specific international events listed in the World Sailing Regulations, to World Sailing. If the protest committee has acted under rule 69.2(f)(2), the report shall also include that fact and the reasons for it.

(k) If the protest committee decides not to conduct the hearing without the person present, or if the protest committee has left the event and a report alleging a breach of rule 69.1(a) is received, the race committee or organizing authority may appoint the same or a new protest committee to proceed under this rule. If it is impractical for the protest committee to conduct a hearing, it shall collect all
available information and, if the allegation seems justified, make a report to the national authority of the person or, for specific international events listed in the World Sailing Regulations, to World Sailing.

69.3 **Action by a National Authority and World Sailing**

The disciplinary powers, procedures and responsibilities of national authorities and World Sailing that apply are specified in World Sailing Regulation 35, Disciplinary Code. National authorities and World Sailing may impose further penalties, including suspension of eligibility, under that regulation.

**SECTION D**

**APPEALS**

70 **APPEALS AND REQUESTS TO A NATIONAL AUTHORITY**

70.1 (a) Provided that the right of appeal has not been denied under rule 70.5, a party to a hearing may appeal a protest committee’s decision or its procedures, but not the facts found.

(b) A board may appeal when she is denied a hearing required by rule 63.1.

70.2 A protest committee may request confirmation or correction of its decision.

70.3 An appeal under rule 70.1 or a request by a protest committee under rule 70.2 shall be sent to the national authority with which the organizing authority is associated under rule 89.1. However, if boards will pass through the waters of more than one national authority while racing, the sailing instructions shall identify the national authority to which appeals or requests are required to be sent.

70.4 A club or other organization affiliated to a national authority may request an interpretation of the rules, provided that no protest or request for redress that may be appealed is involved. The interpretation shall not be used for changing a previous protest committee decision.

70.5 There shall be no appeal from the decisions of an international jury constituted in compliance with Appendix N. Furthermore, if the notice of race and the sailing instructions so state, the right of appeal may be denied provided that

(a) it is essential to determine promptly the result of a race that will qualify a board to compete in a later stage of an event or a
subsequent event (a national authority may prescribe that its approval is required for such a procedure);

(b) a national authority so approves for a particular event open only to entrants under its own jurisdiction; or

(c) a national authority after consultation with World Sailing so approves for a particular event, provided the protest committee is constituted as required by Appendix N, except that only two members of the protest committee need be International Judges.

70.6 Appeals and requests shall conform to Appendix R.

70.7 [B10.70.7] Appeals are not permitted in disciplines and formats with elimination series.

71 NATIONAL AUTHORITY DECISIONS

71.1 A person who has a conflict of interest or was a member of the protest committee shall not take any part in the discussion or decision on an appeal or a request for confirmation or correction.

71.2 The national authority may uphold, change or reverse a protest committee’s decision including a decision on validity or a decision under rule 69. Alternatively, the national authority may order that a hearing be reopened, or that a new hearing be held by the same or a different protest committee. When the national authority decides that there shall be a new hearing, it may appoint the protest committee.

71.3 When from the facts found by the protest committee the national authority decides that a board that was a party to a protest hearing broke a rule and is not exonerated, it shall penalize her, whether or not that board or that rule was mentioned in the protest committee’s decision.

71.4 The decision of the national authority shall be final. The national authority shall send its decision in writing to all parties to the hearing and the protest committee, who shall be bound by the decision.
PART 6
ENTRY AND QUALIFICATION

75 ENTERING A RACE

75.1 To enter a race, a board shall comply with the requirements of the organizing authority of the race. She shall be entered by
(a) a member of a club or other organization affiliated to a World Sailing member national authority,
(b) such a club or organization, or
(c) a member of a World Sailing member national authority.

75.2 Competitors shall comply with World Sailing Regulation 19, Eligibility Code.

76 EXCLUSION OF BOARDS OR COMPETITORS

76.1 The organizing authority or the race committee may reject or cancel the entry of a board or exclude a competitor, subject to rule 76.3, provided it does so before the start of the first race and states the reason for doing so. On request the board shall promptly be given the reason in writing. The board may request redress if she considers that the rejection or exclusion is improper.

76.2 The organizing authority or the race committee shall not reject or cancel the entry of a board or exclude a competitor because of advertising, provided the board or competitor complies with World Sailing Regulation 20, Advertising Code.

76.3 At world and continental championships no entry within stated quotas shall be rejected or cancelled without first obtaining the approval of the relevant World Sailing Class Association (or the Offshore Racing Council) or World Sailing.

77 IDENTIFICATION ON SAILS

A board shall comply with the requirements of Appendix G governing class insignia, national letters and numbers on sails.

78 COMPLIANCE WITH CLASS RULES; CERTIFICATES

78.1 [B6.78.1] While a board is racing, her owner and any other person in charge shall ensure that the board is maintained to comply with her class rules and that her measurement or rating certificate, if any, remains valid. In addition, the board shall also comply at other times specified in the class rules, the notice of race or the sailing instructions. When so prescribed by World Sailing, a numbered and dated device on a board
and her centreboard, fin and rig shall serve as her measurement certificate.

78.2 When a rule requires a valid certificate to be produced or its existence verified before a board races, and this cannot be done, the board may race provided that the race committee receives a statement signed by the person in charge that a valid certificate exists. The board shall produce the certificate or arrange for its existence to be verified by the race committee. The penalty for breaking this rule is disqualification without a hearing from all races of the event.

79 CLASSIFICATION
If the notice of race or class rules state that some or all competitors must satisfy classification requirements, the classification shall be carried out as described in World Sailing Regulation 22, Sailor Classification Code.

80 ADVERTISING
A board and her crew shall comply with World Sailing Regulation 20, Advertising Code.

81 RESCHEDULED EVENT
When an event is rescheduled to dates different from the dates stated in the notice of race, all boards entered shall be notified. The race committee may accept new entries that meet all the entry requirements except the original deadline for entries.
PART 7
RACE ORGANIZATION

84 GOVERNING RULES
The organizing authority, race committee, technical committee, protest committee and other race officials shall be governed by the rules in the conduct and judging of races.

85 CHANGES TO RULES
85.1 A change to a rule shall refer specifically to the rule and state the change. A change to a rule includes an addition to it or deletion of all or part of it.

85.2 A change to one of the following types of rules may be made only as shown below.

86 CHANGES TO THE RACING RULES
86.1 A racing rule shall not be changed unless permitted in the rule itself or as follows:

(a) Prescriptions of a national authority may change a racing rule, but not the Definitions; the Basic Principles; a rule in the Introduction; Part 1, 2 or 7; rule 42, 43, 63.4, 69, 70, 71, 75, 76.3, 79 or 80; a rule of an appendix that changes one of these rules; Appendix H or N; World Sailing Regulation 19, 20, 21, 22, 35 or 37.

(b) The notice of race or sailing instructions may change a racing rule, but not rule 76.1 or 76.2, Appendix R, or a rule listed in rule 86.1(a).

(c) Class rules may change only racing rules 42, 49, 50, 51, 52, 53 and 54.
In exception to rule 86.1, World Sailing may in limited circumstances (see World Sailing Regulation 28.1.3) authorize changes to the racing rules for a specific international event. The authorization shall be stated in a letter of approval to the event organizing authority and in the notice of race and sailing instructions, and the letter shall be posted on the event’s official notice board.

If a national authority so prescribes, the restrictions in rule 86.1 do not apply if rules are changed to develop or test proposed rules. The national authority may prescribe that its approval is required for such changes.

The notice of race or sailing instructions may change a class rule only when the class rules permit the change, or when written permission of the class association for the change is displayed on the official notice board.

The prescriptions that apply to an event are the prescriptions of the national authority with which the organizing authority is associated under rule 89.1. However, if boards will pass through the waters of more than one national authority while racing, the notice of race or sailing instructions shall identify the prescriptions that will apply and when they will apply.

The notice of race or sailing instructions may change a prescription. However, a national authority may restrict changes to its prescriptions with a prescription to this rule, provided World Sailing approves its application to do so. The restricted prescriptions shall not be changed.

Races shall be organized by an organizing authority, which shall be
(a) World Sailing;
(b) a member national authority of World Sailing;
(c) an affiliated club;
(d) an affiliated organization other than a club and, if so prescribed by the national authority, with the approval of the national authority or in conjunction with an affiliated club;
(e) an unaffiliated class association, either with the approval of the national authority or in conjunction with an affiliated club;

(f) two or more of the above organizations;

(g) an unaffiliated body in conjunction with an affiliated club where the body is owned and controlled by the club. The national authority of the club may prescribe that its approval is required for such an event; or

(h) if approved by World Sailing and the national authority of the club, an unaffiliated body in conjunction with an affiliated club where the body is not owned and controlled by the club.

In rule 89.1, an organization is affiliated if it is affiliated to the national authority of the venue; otherwise the organization is unaffiliated. However, if boards will pass through the waters of more than one national authority while racing, an organization is affiliated if it is affiliated to the national authority of one of the ports of call.

89.2 Notice of Race; Appointment of Race Officials

(a) The organizing authority shall publish a notice of race that conforms to rule J1.

(b) The notice of race may be changed provided adequate notice is given.

(c) The organizing authority shall appoint a race committee and, when appropriate, appoint a protest committee, a technical committee and umpires. However, the race committee, an international jury, a technical committee and umpires may be appointed by World Sailing as provided in its regulations.

90 RACE COMMITTEE; SAILING INSTRUCTIONS; SCORING

90.1 Race Committee

The race committee shall conduct races as directed by the organizing authority and as required by the rules.

90.2 [B7.90.2] Sailing Instructions

(a) The race committee shall publish written sailing instructions that conform to rule J2.

(b) When appropriate, for an event where entries from other countries are expected, the sailing instructions shall include, in English, the applicable national prescriptions.

(c) The sailing instructions may be changed provided the change is in writing and posted on the official notice board before the time stated in the sailing instructions or, on the water, communicated to
each board before her warning signal. Oral instructions may be given only if the procedure is stated in the sailing instructions.

90.3 Scoring
(a) The race committee shall score a race or series as provided in Appendix A using the Low Point System, unless the notice of race or sailing instructions specify some other system. A race shall be scored if it is not abandoned and if one board sails the course in compliance with rule 28 and finishes within the time limit, if any, even if she retires after finishing or is disqualified.

(b) When a scoring system provides for excluding one or more race scores, any score that is a Disqualification Not Excludable (DNE) shall be included in a board’s series score.

(c) When the race committee determines from its own records or observations that it has scored a board incorrectly, it shall correct the error and make the corrected scores available to competitors.

91 PROTEST COMMITTEE
A protest committee shall be
(a) a committee appointed by the organizing authority or race committee;
(b) an international jury appointed by the organizing authority or as prescribed in the World Sailing Regulations. It shall be composed as required by rule N1 and have the authority and responsibilities stated in rule N2. A national authority may prescribe that its approval is required for the appointment of international juries for races within its jurisdiction, except World Sailing events or when international juries are appointed by World Sailing under rule 89.2(c); or
(c) a committee appointed by the national authority under rule 71.2.

92 TECHNICAL COMMITTEE
92.1 A technical committee shall be a committee of at least one member and be appointed by the organizing authority or the race committee or as prescribed in the World Sailing Regulations.

92.2 The technical committee shall conduct equipment inspection and event measurement as directed by the organizing authority and as required by the rules.
APPENDIX A

SCORING

See rule 90.3.

The number of races scheduled and the number required to be completed to constitute a series shall be stated in the notice of race or sailing instructions. If an event includes more than one discipline or format, the notice of race or sailing instructions shall state how the overall scores are to be calculated.

A2 SERIES SCORES

A2.1 [B8.A2.1] SERIES SCORES

Each board’s series score shall, subject to rule 90.3(b), be the total of her race scores excluding her

(a) worst score when from 5 to 11 races have been completed, or

(b) two worst scores when 12 or more races have been completed.

(The notice of race or sailing instructions may make a different arrangement. A race is completed if scored; see rule 90.3(a).) If a board has two or more equal worst scores, the score(s) for the race(s) sailed earliest in the series shall be excluded. The board with the lowest series score wins and others shall be ranked accordingly.

A2.2 [B10.A2.1] Each board’s elimination series score shall, subject to rule 90.3(b), be the total of her race scores excluding her

(a) worst score when 3 or 4 races are completed,

(b) two worst scores when from 5 to 7 races are completed,

(c) three worst scores when 8 or more races are completed.

Each board’s final series score shall be the total of her race scores excluding her worst score when 3 races are completed.

(The notice of race or sailing instructions may make a different arrangement. A race is completed if scored; see rule 90.3(a).) If a board has two or more equal worst scores, the score(s) for the race(s) sailed earliest in the series shall be excluded. The board with the lowest series score wins and others shall be ranked accordingly.

A2.2 If a board has entered any race in a series, she shall be scored for the whole series.
A3 STARTING TIMES AND FINISHING PLACES

The time of a board’s starting signal shall be her starting time, and the order in which boards finish a race shall determine their finishing places. However, when a handicap or rating system is used a board’s corrected time shall determine her finishing place.

A4 LOW POINT SYSTEM

The Low Point System will apply unless the notice of race or sailing instructions specify another system; see rule 90.3(a).

A4.1 Each board starting and finishing and not thereafter retiring, being penalized or given redress shall be scored points as follows:

<table>
<thead>
<tr>
<th>Finishing place</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>First</td>
<td>1</td>
</tr>
<tr>
<td>Second</td>
<td>2</td>
</tr>
<tr>
<td>Third</td>
<td>3</td>
</tr>
<tr>
<td>Fourth</td>
<td>4</td>
</tr>
<tr>
<td>Fifth</td>
<td>5</td>
</tr>
<tr>
<td>Sixth</td>
<td>6</td>
</tr>
<tr>
<td>Seventh</td>
<td>7</td>
</tr>
<tr>
<td>Each place thereafter</td>
<td>Add 1 point</td>
</tr>
</tbody>
</table>

A4.2 A board that did not start, did not finish, retired or was disqualified shall be scored points for the finishing place one more than the number of boards entered in the series or, in a race of an elimination series, the number of boards in that heat. A board that is penalized under rule 30.2 or that takes a penalty under rule 44.3(a) shall be scored points as provided in rule 44.3(c).

A4.3 [B10.A4.3] When a heat cannot be completed, the points for the unscored places shall be added together and divided by the number of places in that heat. The resulting number of points, to the nearest tenth of a point (0.05 to be rounded upward), shall be given to each board entered in the heat.

A5 SCORES DETERMINED BY THE RACE COMMITTEE

A board that did not start or finish or comply with rule 30.2, 30.3, 30.4 or 78.2, or that retires or takes a penalty under rule 44.3(a), shall be scored accordingly by the race committee without a hearing. Only the protest committee may take other scoring actions that worsen a board’s score.
A6  CHANGES IN PLACES AND SCORES OF OTHER BOARDS

A6.1  If a board is disqualified from a race or retires after finishing, each board with a worse finishing place shall be moved up one place.

A6.2  If the protest committee decides to give redress by adjusting a board’s score, the scores of other boards shall not be changed unless the protest committee decides otherwise.

A7  RACE TIES

If boards are tied at the finishing line or if a handicap or rating system is used and boards have equal corrected times, the points for the place for which the boards have tied and for the place(s) immediately below shall be added together and divided equally. Boards tied for a race prize shall share it or be given equal prizes.

A8  [B8.A8]  SERIES TIES

A8.1  If there is a series-score tie between two or more boards, they shall be ranked in order of their best excluded race score.

A8.2  If a tie remains between two or more boards, each board’s race scores, including excluded scores, shall be listed in order of best to worst, and at the first point(s) where there is a difference the tie shall be broken in favour of the board(s) with the best score(s). These scores shall be used even if some of them are excluded scores.

A8.3  If a tie still remains between two or more boards, they shall be ranked in order of their scores in the last race. Any remaining ties shall be broken by using the tied boards’ scores in the next-to-last race and so on until all ties are broken. These scores shall be used even if some of them are excluded.

A9  RACE SCORES IN A SERIES LONGER THAN A REGATTA

For a series that is held over a period of time longer than a regatta, a board that came to the starting area but did not start, did not finish, retired or was disqualified shall be scored points for the finishing place one more than the number of boards that came to the starting area. A board that did not come to the starting area shall be scored points for the finishing place one more than the number of boards entered in the series.

A10  GUIDANCE ON REDRESS

If the protest committee decides to give redress by adjusting a board’s score for a race, it is advised to consider scoring her

(a)  points equal to the average, to the nearest tenth of a point (0.05 to be rounded upward), of her points in all the races in the series.
Appendix A

SCORING

except the race in question;

(b) points equal to the average, to the nearest tenth of a point (0.05 to be rounded upward), of her points in all the races before the race in question; or

(c) points based on the position of the board in the race at the time of the incident that justified redress.

APPENDIX A – SCORING IN EXPRESSION COMPETITION

The rules of Appendix A are deleted and replaced by:

(a) Expression competition shall be scored by a panel of three judges. However, the panel may have a greater odd number of members, and there may be two such panels. Each judge shall give points for each manoeuvre based on the scale stated in the notice of race or sailing instructions.

(b) The criteria of scoring shall be decided by the race committee and announced on the official notice board no later than 30 minutes before the starting signal for the first heat.

(c) A board’s heat standing shall be determined by adding together the points given by each judge. The board with the highest score wins and others shall be ranked accordingly.

(d) Both semi-final heats shall have been sailed for an elimination series to be valid.

(e) Except for members of the race committee responsible for scoring the event, only competitors in the heat shall be allowed to see judges’ score sheets for the heat. Each score sheet shall bear the full name of the judge.

(f) Scoring decisions of the judges shall not be grounds for a request for redress by a board.

(a) In a heat, if there is a tie in the total points given by one or more judges, it shall be broken in favour of the board with the higher single score in the priority category. If the categories are weighted equally, in wave performance competition the tie shall be broken in favour of the board with the higher single score in wave riding, and in freestyle competition in favour of the board with the higher score for overall impression. If a tie remains, in wave performance competition it shall be broken in favour of the board with the
higher single score in the category without priority, and in freestyle competition it shall stand as the final result.

(b) If there is a tie in the series score, it shall be broken in favour of the board that scored better more times than the other board. All scores shall be used even if some of them are excluded scores.

(c) If a tie still remains, the heat shall be resailed. If this is not possible, the tie shall stand as the final result.

APPENDIX A – SCORING IN SPEED EVENTS

The rules of Appendix A are deleted and replaced by:

(a) On Standard Offshore Speed Courses, the speeds of a board’s fastest two runs in a round shall be averaged to determine her standing in that round. The board with the highest average wins and others shall be ranked accordingly. If boards are tied, the tie shall be broken in favour of the board with the fastest run in the round.

(b) On Speed Crossings and Alpha Speed Courses, boards shall be ranked based on their fastest run in the round.

(c) If there is a series-score tie between two or more boards, it shall be broken in favour of the board(s) with the fastest run during the competition. If a tie remains, it shall be broken by applying rules B8.A8.2 and B8.A8.3.

A11 SCORING ABBREVIATIONS

These scoring abbreviations shall be used for recording the circumstances described:

DNC Did not start; did not come to the starting area
DNS Did not start (other than DNC and OCS)
OCS Did not start; on the course side of the starting line at her starting signal and failed to start, or broke rule 30.1

APPENDIX D
TEAM RACING RULES

Team races shall be sailed under The Windsurfing Competition as changed by this appendix. If there is a conflict between rule in Appendix B and Appendix D, the rule in Appendix B shall prevail. The sailing instructions may change any rule in Appendix D.

D1  CHANGES TO THE RACING RULES
D1.1  Definitions and the Rules of Parts 2 and 4
(a)  Deleted.
(b)  If boards are overlapped when the first of them is about to round or pass the mark, the outside board at that moment shall thereafter give the inside board mark-room. If a board is clear ahead when she is about to round or pass the mark, or she later becomes clear ahead when another board passes head to wind, the board clear astern at that moment shall thereafter give her mark-room.
(c)  Rule 18.4 is deleted.
(d)  When rule 20 applies the following arm signals by the competitors are required in addition to the hails:
   (1)  for ‘Room to tack’, repeatedly and clearly pointing to windward; and
   (2)  for ‘You tack’, repeatedly and clearly pointing at the other board and waving the arm to windward.
   Sailing instructions may delete this requirement.
(e)  Change rule 24.1: If reasonably possible, a board not racing shall not interfere with a board that is racing, and a board that has finished shall not act to interfere with a board that has not finished.
(f)  Add new rule 24.4: ‘When boards in different races meet, any change of course by either board shall be consistent with complying with a rule or trying to win her own race.’
(g)  Add to rule 41:
(e)  help from another board on her team provided electronic communication is not used.
(h)  Rule 45 is deleted.
D1.2  Protests and Requests for Redress

(a)  **[B5.60.1]** Rule 60.1 is changed to:

A board may

(1) protest another board, but not for an alleged breach of a rule of Part 2 unless she was involved in the incident or the incident involved contact between members of the other team; or

(2) request redress.

(b)  **[B5.61]** A board intending to protest shall inform the other board at the first reasonable opportunity. When her protest will concern an incident in the racing area that she was involved in, she shall hail ‘Protest’. She shall also inform the race committee or the umpires of her intention to protest as soon as practicable after she finishes or retires.

(c)  A board intending to request redress for an incident in the racing area shall inform the race committee or the umpires of her intention to request redress as soon as practicable after she finishes or retires.

(d)  The race committee or protest committee shall not protest a board for breaking a rule of Part 2 except

(1) based on evidence in a report from an umpire after a black and white flag has been displayed; or

(2) under rule 14 upon receipt of a report from any source alleging capsize, damage or injury.

(e)  **Protests** and requests for redress need not be in writing. The protest committee may take evidence in any way it considers appropriate and may communicate its decision orally.

(f)  A board is not entitled to redress based on capsize, damage or injury caused by another board on her team.

(g)  When a supplied board suffers a breakdown, rule D5 applies.

D1.3  Penalties

(a)  A board may take a 360°-Turn Penalty when she may have broken one of more rules of Part 2 in an incident while racing.

(b)  A board may take a penalty by retiring, in which case she shall notify the race committee as soon as possible and 6 points shall be added to her score.

(c)  There shall be no penalty for breaking a rule of Part 2 when the incident is between boards on the same team and there is no contact.
D2 UMPIRED RACES

D2.1 When Rule D2 Applies
Rule D2 applies to umpired races. Races to be umpired shall be identified either in the sailing instructions or by the display of flag J no later than the warning signal.

D2.2 Protests by Boards
When a board protests under a rule of Part 2 for an incident in the racing area, she is not entitled to a hearing, except under rule 14 when there is capsize, damage or injury, and the following applies:
(a) She shall hail ‘Protest’.
(b) The boards shall be given time to respond. A board involved in the incident may respond by promptly taking an appropriate penalty or clearly indicating that she will do so as soon as possible.
(c) If no board takes a penalty, an umpire shall decide whether to penalize any board.
(d) If more than one board broke a rule and was not exonerated, an umpire may penalize any board that broke a rule and did not take an appropriate penalty.
(e) An umpire shall signal a decision in compliance with rule D2.4.
(f) A board penalized by an umpire shall take a Two 360°-Turn Penalty.

D2.3 Penalties Initiated by an Umpire
An umpire may penalize a board without a protest by another board, or report the incident to the protest committee, or both, when the board
(a) breaks rule 31 or 42 and does not take a penalty;
(b) breaks a rule of Part 2 and makes contact with another board on her team or with a board in another race, and no board takes a penalty;
(c) breaks a rule and her team gains an advantage despite her, or another board on her team, taking a penalty;
(d) breaks rule 14 and there is capsize, damage or injury;
(e) clearly indicates that she will take a 360°-Turn Penalty, and then fails to do so;
(f) fails to take a penalty signaled by an umpire;
(g) commits a breach of sportsmanship.
The umpire shall signal a decision in compliance with rule D2.4. A board penalized by an umpire shall take a Two 360°-Turn Penalty except that, when an umpire hails a number of turns, the board shall take that
number of One 360°-Turn Penalties. All the penalty turns shall be performed in the same direction and in the same way.

D2.4 Signals by an Umpire
An umpire shall signal a decision with one long sound and the display of a flag as follows:
(a) For no penalty, a green and white flag.
(b) To penalize one or more boards, a red flag. The umpire shall hail or signal to identify each board penalized.
(c) To report the incident to the protest committee, a black and white flag.

D2.5 Two-Flag Protest Procedure
This rule applies only if the sailing instructions so state and it then replaces rule D2.2.

D2.6 Limited Umpiring
This rule applies only if the sailing instructions so state and it then changes rules D2.2 and D2.5.

D2.7 Limitations on Other Proceedings
A decision, action or non-action of an umpire shall not be
(a) grounds for redress,
(b) subject to an appeal under rule 70, or
(c) grounds for abandoning a race after it has started.
The protest committee may decide to consider giving redress when it believes that an official boat, including an umpire boat, may have seriously interfered with a competing board.

D3 SCORING A RACE

D3.1 (a) Each board finishing a race shall be scored points equal to her finishing place. All other boards shall be scored points equal to the number of boards entitled to race.
(b) When a board is scored OCS, 10 points shall be added to her score unless she retired as soon as possible after the starting signal.
(c) When a board fails to take a penalty imposed by an umpire at or near the finishing line, she shall be scored points for last place and other scores shall be adjusted accordingly.
(d) When a protest committee decides that a board that is a party to a protest hearing has broken a rule and is not exonerated, (1) if the board has not taken a penalty, 6 points shall be added to her score;
(2) if the board’s team has gained an advantage despite any penalty taken or imposed, the board’s score may be increased;

(3) when the board has broken rule 1 or 2, rule 14 when she has caused damage or injury, or a rule when not racing, half or more race wins may be deducted from her team, or no penalty may be imposed. Race wins deducted shall not be awarded to any other team.

D3.2 When all boards on one team have finished, retired or failed to start, the other team’s boards racing at that time shall be scored the points they would have received had they finished.

D3.3 The team with the lower total points wins the race. If the totals are equal, the team that does not have first place wins.

D4 SCORING A STAGE

D4.1 Terminology

(a) The racing format at an event will consist of one or more stages.

(b) In a round-robin stage teams are assigned to one or more groups and scheduled to sail one or more round-robins. A round robin is a schedule of races in which each team sails once against each other team in the same group.

(c) In a knock-out stage teams are scheduled to sail in matches. A match is one or more races between two teams.

(d) The notice of race or sailing instructions may specify other formats and scoring methods.

D4.2 Terminating a Stage

(a) The race committee may terminate a stage at any reasonable time taking into account the entries, weather, time constraints and other relevant factors.

(b) When a round-robin stage is terminated, any round-robin in the stage in which 80% or more of the full schedule of races has been completed shall be scored as complete; if fewer races have been completed, the round-robin shall not be scored, but may be used to break ties.

D4.3 Scoring a Round-Robin Stage

(a) In a round-robin stage the teams shall be ranked in order of number of race wins, highest number first. If the teams have not completed an equal number of races, they shall be ranked in order of the percentage of races won, highest number first.
(b) If a round-robin in the stage is not completed, teams shall be ranked according to the results from all completed round-robins in the stage.

**D4.4 Ties in a Completed Round-Robin Stage**

Ties in a completed round-robin stage shall be broken by using, in the following order, only results in the stage,

(a) the highest number of race wins in all races between the tied teams;

(b) the lowest total points scored in all races between the tied teams;

(c) if two teams remain tied, the winner of the last race between them;

(d) the lowest average points scored in all races against common opponents;

(e) a sail-off if possible, otherwise a game of chance.

If a tie is partially broken by one of these, the remaining tie shall be broken by starting again at rule D4.4(a).

**D4.5 Ties in an Incomplete Round-Robin Stage**

Ties in an incomplete round-robin stage shall be broken whenever possible using the results from races between the tied teams in any incomplete round-robin. Other ties shall be broken in accordance with rule D4.4.

**D4.6 Scoring a Knock-Out Stage**

The winner of a match is the first team to score the number of race wins stated in the sailing instructions.

**D4.7 Incomplete Knock-Out Stage**

If a match in a knock-out stage is not completed (including 0-0), the result of the match shall be determined using, in order,

(a) the higher number of race wins in the incomplete match;

(b) the higher number of race wins in all races in the event between the tied teams;

(c) the higher place in the most recent stage, applying rule D4.4(a) if necessary;

(d) the winner of the most recent race between the teams.

If this rule fails to determine a result, the stage shall be tied unless the sailing instructions provide for some other result.
D5 BREAKDOWNS WHEN BOARDS ARE SUPPLIED BY THE ORGANIZING AUTHORITY

D5.1 Rule D5 applies when boards are supplied by the organizing authority.

D5.2 When a board suffers a breakdown in the racing area, she may request a score change by displaying a red flag at the first reasonable opportunity after the breakdown until it is acknowledged by the race committee or by an umpire. If possible, she shall continue racing.

D5.3 The race committee shall decide requests for a score change in accordance with rules D5.4 and D5.5. It may take evidence in any way it considers appropriate and may communicate its decision orally.

D5.4 When the race committee decides that the team’s finishing position was made significantly worse, that the breakdown was through no fault of the crew, and that in the same circumstances a reasonably competent crew would not have been able to avoid the breakdown, it shall make as equitable a decision as possible. This may be to abandon and resail the race or, when the board’s finishing position was predictable, award her points for that position. Any doubt about a board’s position when she broke down shall be resolved against her.

D5.5 A breakdown caused by defective supplied equipment or a breach of a rule by an opponent shall not normally be determined to be the fault of the crew, but one caused by careless handling, capsizing or a breach by a board on the same team shall be. If there is doubt, it shall be presumed that the crew are not at fault.
APPENDIX G
IDENTIFICATION ON SAILS

See rule 77.

G1 WORLD SAILING CLASS BOATS

G1.1 Identification

Every board of a World Sailing Class shall carry on her sail

(a) the insignia denoting her class;

(b) at all international events, except when the boards are provided to all competitors, national letters denoting her national authority from the table below. For the purposes of this rule, international events are World Sailing events, world and continental championships, and events described as international events in their notices of race and sailing instructions; and

(c) a sail number of no more than four digits allotted by her national authority or, when so required by the class rules, by the class association. The four-digit limitation does not apply to classes whose World Sailing membership or recognition took effect before 1 April 1997. Alternatively, if permitted in the class rules, an owner may be allotted a personal sail number by the relevant issuing authority, which may be used on all his boards in that class.

Sails measured before 31 March 1999 shall comply with rule G1.1 or with the rules applicable at the time of measurement.

Note: An up-to-date version of the table below is available on the World Sailing website.

G1.2 Specifications

(a) National letters and sail numbers shall be in capital letters and Arabic numerals, clearly legible and of the same colour. Commercially available typefaces giving the same or better legibility than Helvetica are acceptable.

(b) The height of characters and space between adjoining characters on the same and opposite sides of the sail shall be related to the board’s overall length as follows:

G1.3 [B9.G1.3] Positioning

Class insignia, national letters and sail numbers shall be positioned as follows:

(a) The class insignia shall be displayed once on each side of the sail in the area above a line projected at right angles from a point on the luff of the sail one-third of the distance from the head to the wishbone. The national letters and sail numbers shall be in the central third of that part of the sail above the wishbone, clearly separated from any advertising. They shall be black and applied back to back on an opaque white background. The background shall extend a minimum of 30 mm beyond the characters. There shall be a ‘–’ between the national letters and the sail number, and the spacing between characters shall be adequate for legibility.

(b) If the class insignia is of such a design that two of them coincide when placed back to back on both sides of the sail, they may be

G2 OTHER BOARDS

Other boards shall comply with the rules of their national authority or class association in regard to the allotment, carrying and size of insignia, letters and numbers. Such rules shall, when practicable, conform to the above requirements.
G3  **CHARTERED OR LOANED BOARDS**
When so stated in the notice of race or sailing instructions, a board chartered or loaned for an event may carry national letters or a sail number in contravention of her class rules.

G4  **WARNINGS AND PENALTIES**
When a protest committee finds that a board has broken a rule of this appendix, it shall either warn her and give her time to comply or penalize her.

G5  **CHANGES BY CLASS RULES**
World Sailing Classes may change the rules of this appendix provided the changes have first been approved by World Sailing.

**APPENDIX H**

**WEIGHING CLOTHING AND EQUIPMENT**

*See rule 43. This appendix shall not be changed by sailing instructions or prescriptions of national authorities.*

H1  Items of clothing and equipment to be weighed shall be arranged on a rack. After being saturated in water the items shall be allowed to drain freely for one minute before being weighed. The rack must allow the items to hang as they would hang from clothes hangers, so as to allow the water to drain freely. Pockets that have drain-holes that cannot be closed shall be empty, but pockets or items that can hold water shall be full.

H2  When the weight recorded exceeds the amount permitted, the competitor may rearrange the items on the rack and the member of the technical committee in charge shall again soak and weigh them. This procedure may be repeated a second time if the weight still exceeds the amount permitted.

H3  A competitor wearing a dry suit may choose an alternative means of weighing the items.
(a)  The dry suit and items of clothing and equipment that are worn outside the dry suit shall be weighed as described above.
(b)  Clothing worn underneath the dry suit shall be weighed as worn while *racing*, without draining.
(c)  The two weights shall be added together.

APPENDIX K
NOTICE OF RACE GUIDE

This guide provides a notice of race designed primarily for major championship regattas for one or more classes. It therefore will be particularly useful for world, continental and national championships and other events of similar importance. It can be downloaded from the World Sailing website as a basic text for producing a notice of race for any particular event.

The guide can also be useful for other events. However, for such events some of the paragraphs will be unnecessary or undesirable. Organizing authorities should therefore be careful in making their choices.

This guide relates closely to Appendix L, Sailing Instructions Guide, and its expanded version Appendix LE on the World Sailing website, the introduction to which contains principles that also apply to a notice of race.

Rule references within the notice of race use WCR, NoR and SI to denote the source of the rule. ‘WCR x’ is a rule in The Windsurfing Competition Rules. ‘NoR x’ is a rule in the notice of race, and ‘SI x’ is a rule in the sailing instructions.

To use this guide, first review rule J1 and decide which paragraphs will be needed. Paragraphs that are required by rule J1.1 are marked with an asterisk (*). Delete all inapplicable or unnecessary paragraphs. Select the version preferred where there is a choice. Follow the directions in the left margin to fill in the spaces where a solid line (_____ ) appears and select the preferred wording if a choice or option is shown in brackets ([ . . . ]).

After deleting unused paragraphs, renumber all paragraphs in sequential order. Be sure that paragraph numbers are correct where one paragraph refers to another.

Care should be taken to ensure that there is no conflict between a rule in the notice of race and a rule in the sailing instructions.

If the notice of race is made available electronically, printed copies should be provided on request.

The items listed below, when applicable, should be distributed with the notice of race, but should not be included as numbered paragraphs in the notice.

APPENDIX L

SAILING INSTRUCTIONS GUIDE

This guide provides a set of tested sailing instructions designed primarily for major championship regattas for one or more classes. It therefore will be particularly useful for world, continental and national championships and other events of similar importance. The guide can also be useful for other events; however, for such events some of these instructions will be unnecessary or undesirable. Race officers should therefore be careful in making their choices.

An expanded version of the guide, Appendix LE, is available on the World Sailing website. It contains provisions applicable to the largest and most complicated multi-class events, as well as variations on several of the sailing instructions recommended in this appendix. It will be revised from time to time, to reflect advances in race management techniques as they develop, and can be downloaded as a basic text for producing the sailing instructions for any particular event. Appendix L can also be downloaded from the World Sailing website.

The principles on which all sailing instructions should be based are as follows:

1. They should include only two types of statement: the intentions of the race committee and protest committee and the obligations of competitors.

2. They should be concerned only with racing. Information about social events, assignment of moorings, etc., should be provided separately.

3. They should not change the racing rules except when clearly desirable. (When they do so, they must follow rule 86 by referring specifically to the rule being changed and stating the change.)

4. They should not repeat or restate any of the racing rules.

5. They should not repeat themselves.

6. They should be in chronological order; that is, the order in which the competitor will use them.

7. They should, when possible, use words or phrases from the racing rules.

Rule references within the sailing instructions use WCR, SI and NoR to denote the source of the rule. ‘WCR x’ is a rule in The Windsurfing
Appendix L  SAILING INSTRUCTIONS GUIDE

Competition Rules. ‘SI x’ is a rule in the sailing instructions, and ‘NoR x’ is a rule in the notice of race.

To use this guide, first review rule J2 and decide which instructions will be needed. Instructions that are required by rule J2.1 are marked with an asterisk (*). Delete all inapplicable or unnecessary instructions. Select the version preferred where there is a choice. Follow the directions in the left margin to fill in the spaces where a solid line (_____ ) appears and select the preferred wording if a choice or option is shown in brackets ([ . . . ]).

After deleting unused instructions, renumber all instructions in sequential order. Be sure that instruction numbers are correct where one instruction refers to another.

Care should be taken to ensure that there is no conflict between a rule in the notice of race and a rule in the sailing instructions.

If the sailing instructions are made available electronically, printed copies should be provided on request.

On separate lines, insert the full name of the regatta, the inclusive dates from equipment inspection, event measurement or the practice race until the final race or closing ceremony, the name of the organizing authority, and the city and country.

12.1 To change the next leg of the course, the race committee will lay a new mark (or move the finishing line) and remove the original mark as soon as practicable. When in a subsequent change a new mark is replaced, it will be replaced by an original mark.

12.2 Except at a gate, boards shall pass between the race committee vessel signalling the change of the next leg and the nearby mark, leaving the mark to port and the race committee vessel to starboard. This changes RRS 28.

16.3 Notices will be posted no later than 30 minutes after the protest time limit to inform competitors of hearings in which they are parties or named as witnesses. Hearings will be held in the protest room, located at _____, beginning at [the time posted] [______].

16.4 Notices of protests by the race committee, technical committee or protest committee will be posted to inform boards under RRS 61.1(b).

ADDENDUM A

ILLUSTRATING THE COURSE

Shown here are diagrams of course shapes. The board’s track is represented by a discontinuous line so that each diagram can describe courses with different numbers of laps. If more than one course may be used for a class, state how each particular course will be signalled.

A Windward-Leeward Course

Start – 1 – 2 – 1 – 2 – Finish

Options for this course include

(1) increasing or decreasing the number of laps,
(2) deleting the last windward leg,
(3) using a gate instead of a leeward mark,
(4) using an offset mark at the windward mark, and
(5) using the leeward and windward marks as starting and finishing marks.
A Triangle-Windward-Leeward Course

Start – 1 – 2 – 3 – 1 – 3 – Finish

Options for this course include

(1) increasing or decreasing the number of laps,
(2) deleting the last windward leg,
(3) varying the interior angles of the triangle (45°–90°–45° and 60°–60°–60° are common),
(4) using a gate instead of a leeward mark for downwind legs,
(5) using an offset mark at the beginning of downwind legs, and
(6) using the leeward and windward marks as starting and finishing marks.

Be sure to specify the interior angle at each mark.
Trapezoid Courses

Start – 1 – 2 – 3 – 2 – 3 – Finish  
Start – 1 – 4 – 1 – 2 – 3 – Finish

Options for these courses include
(1) adding additional legs,
(2) replacing the gate shown by a single mark, or using a gate also in the outer loop,
(3) varying the interior angles of the reaching legs,
(4) using an offset mark at the beginning of downwind legs, and
(5) finishing boats upwind rather than on a reach.

Be sure to specify the interior angle of each reaching leg.
ADDENDUM B

BOARDS PROVIDED BY THE ORGANIZING AUTHORITY

The following sailing instruction is recommended when all boards will be provided by the organizing authority. It can be changed to suit the circumstances. When used, it should be inserted after SI 3.

4 BOARDS

4.1 Boards will be provided for all competitors, who shall not modify them or cause them to be modified in any way except that
(a) a compass may be tied or taped to the hull or spars;
(b) wind indicators, including yarn or thread, may be tied or taped anywhere on the board;
(c) hulls and centreboard may be cleaned, but only with water;
(d) adhesive tape may be used anywhere above the water line; and
(e) all fittings or equipment designed to be adjusted may be adjusted, provided that the class rules are complied with.

4.2 All equipment provided with the board for sailing purposes shall be in the board while afloat.

4.3 The penalty for not complying with one of the above instructions will be disqualification from all races sailed in which the instruction was broken.

4.4 Competitors shall report any damage or loss of equipment, however slight, to the organizing authority’s representative immediately after securing the board ashore. The penalty for breaking this instruction, unless the protest committee is satisfied that the competitor made a determined effort to comply, will be disqualification from the race most recently sailed.

4.5 Class rules requiring competitors to be members of the class association will not apply.
APPENDIX M

RECOMMENDATIONS FOR PROTEST COMMITTEES

This appendix is advisory only; in some circumstances changing these procedures may be advisable. It is addressed primarily to protest committee chairmen but may also help judges, protest committee secretaries, race committees and others connected with protest and redress hearings.

In a protest or redress hearing, the protest committee should weigh all testimony with equal care; should recognize that honest testimony can vary, and even be in conflict, as a result of different observations and recollections; should resolve such differences as best it can; should recognize that no board or competitor is guilty until a breach of a rule has been established to the satisfaction of the protest committee; and should keep an open mind until all the evidence has been heard as to whether a board or competitor has broken a rule.

M1 PRELIMINARIES (may be performed by race office staff)

- Receive the protest or request for redress.
- Note on the form the time the protest or request is delivered and the protest time limit.
- Inform each party, and the race committee when necessary, when and where the hearing will be held.

M2 BEFORE THE HEARING

M2.1 Make sure that

- each party has a copy of or the opportunity to read the protest or request for redress and has had reasonable time to prepare for the hearing.
- only one person from each board (or party) is present unless an interpreter is needed.
- all boards and people involved are represented. If they are not, however, the committee may proceed under rule 63.3(b).
- boards’ representatives were on board when required (rule 63.3(a)). When the parties were in different races, both organizing authorities must accept the composition of the protest committee (rule 63.8). In a protest concerning class rules, obtain the current
Appendix M  RECOMMENDATIONS FOR PROTEST COMMITTEES

class rules and identify the authority responsible for interpreting them (rule 64.3(b)).

M2.2 Determine if any members of the protest committee saw the incident. If so, require each of them to state that fact in the presence of the parties (rule 63.6).

M2.3 Assess conflicts of interest.
- Ensure that all protest committee members declare any possible conflicts of interest. At major events this will often be a formal written declaration made before the event starts that will be kept with the protest committee records.
- At the start of any hearing, ensure that the parties are aware of any conflicts of interest of protest committee members. Ask the parties if they consent to the members. If a party does not object as soon as possible after a conflict of interest has been declared, the protest committee may take this as consent to proceed and should record it.
- If a party objects to a member, the remainder of the protest committee members need to assess whether the conflict of interest is significant. The assessment will consider the level of the event, the level of the conflict and the perception of fairness. It may be acceptable to balance conflicts between protest committee members. Guidance may be found on the World Sailing website. Record the decision and the grounds for that decision.
- In cases of doubt it may be preferable to proceed with a smaller protest committee. Except for hearings under rule 69, there is no minimum number of protest committee members required.
- When a request for redress is made under rule 62.1(a) and is based on an improper action or omission of a body other than the protest committee, a member of that body should not be a member of the protest committee.

M3 THE HEARING

M3.1 Check the validity of the protest or request for redress.
- Are the contents adequate (rule 61.2 or 62)?
  - Was it delivered in time? If not, is there good reason to extend the time limit (rule 61.3 or 62.2)?
  - When required, was the protestor involved in or a witness to the incident (rule 60.1(a))?  
  - When necessary, was ‘Protest’ hailed and, if required, a red flag displayed correctly (rule 61.1(a))?
● When the flag or hail was not necessary, was the protestee informed?

● Decide whether the protest or request for redress is valid (rule 63.5).

● Once the validity of the protest or request has been determined, do not let the subject be introduced again unless truly new evidence is available.

M3.2 Take the evidence (rule 63.6).

● Ask the protestor and then the protestee to tell their stories. Then allow them to question one another. In a redress matter, ask the party to state the request.

● Invite questions from protest committee members.

● Make sure you know what facts each party is alleging before calling any witnesses. Their stories may be different.

● Allow anyone, including a board’s crew, to give evidence. It is the party who normally decides which witnesses to call, although the protest committee may also call witnesses (rule 63.6). The question asked by a party ‘Would you like to hear N?’ is best answered by ‘It is your choice.’

● Call each party’s witnesses (and the protest committee’s if any) one by one. Limit parties to questioning the witness(es) (they may wander into general statements).

● Invite the protestee to question the protestor’s witness first (and vice versa). This prevents the protestor from leading his witness from the beginning.

● Allow members of the protest committee who saw the incident to give evidence (rule 63.6), but only while the parties are present. Members who give evidence may be questioned, should take care to relate all they know about the incident that could affect the decision, and may remain on the protest committee (rule 63.3(a)).

● Try to prevent leading questions or hearsay evidence, but if that is impossible discount the evidence so obtained.

● Accept written evidence from a witness who is not available to be questioned only if all parties agree. In doing so they forego their rights to question that witness (rule 63.6).

● Ask one member of the committee to note down evidence, particularly times, distances, speeds, etc.

● Invite first the protestor and then the protestee to make a final statement of her case, particularly on any application or interpretation of the rules.
M3.3 Find the facts (rule 63.6).
- Write down the facts; resolve doubts one way or the other.
- Call back parties for more questions if necessary.
- When appropriate, draw a diagram of the incident using the facts you have found.

M3.4 Decide the protest or request for redress (rule 64).
- Base the decision on the facts found (if you cannot, find some more facts).
- In redress cases, make sure that no further evidence is needed from boards that will be affected by the decision.

M3.5 Inform the parties (rule 65).
- Recall the parties and read them the facts found, conclusions and rules that apply, and the decision. When time presses it is permissible to read the decision and give the details later.
- Give any party a copy of the decision on request. File the protest or request for redress with the committee records.

M4 REOPENING A HEARING (rule 66)

M4.1 When a party, within the time limit, has asked for a hearing to be reopened, hear the party making the request, look at any video, etc., and decide whether there is any significant new evidence that might lead you to change your decision. Decide whether your interpretation of the rules may have been wrong; be open-minded as to whether you have made a mistake. If none of these applies refuse to reopen; otherwise schedule a hearing.

M4.2 Evidence is ‘new’
- if it was not reasonably possible for the party asking for the reopening to have discovered the evidence before the original hearing,
- if the protest committee is satisfied that before the original hearing the evidence was diligently but unsuccessfully sought by the party asking for the reopening, or
- if the protest committee learns from any source that the evidence was not available to the parties at the time of the original hearing.

M5 MISCONDUCT (rule 69)

M5.1 An action under this rule is not a protest, but the protest committee gives its allegations in writing to the competitor before the hearing. The hearing is conducted under rules similar to those governing a protest
hearing but the protest committee must have at least three members (rule 69.2(a)). Use the greatest care to protect the competitor’s rights.

**M5.2** A competitor or a board cannot protest under rule 69, but the protest form of a competitor who tries to do so may be accepted as a report to the protest committee, which can then decide whether or not to call a hearing.

**M5.3** Unless World Sailing has appointed a person for the role, the protest committee may appoint a person to present the allegation. This person might be a race official, the person making the allegation or another appropriate person. When no reasonable alternative person is available, a person who was appointed as a member of the protest committee may present the allegation.

**M5.4** When it is desirable to call a hearing under rule 69 as a result of a Part 2 incident, it is important to hear any board-vs.-board protest in the normal way, deciding which board, if any, broke which rule, before proceeding against the competitor under rule 69.

**M5.5** Although action under rule 69 is taken against a competitor, board owner or support person, and not a board, a board may also be penalized (rules 69.2(h)(2) and 64.4).

**M5.6** When a protest committee upholds a rule 69 allegation it will need to consider if it is appropriate to report to either a national authority or World Sailing. Guidance on when to report may be found in the World Sailing Case Book. When the protest committee does make a report, it may recommend whether or not further action should be taken.

**M5.7** Unless the right of appeal is denied in accordance with rule 70.5, a party to a rule 69 hearing may appeal the decision of the protest committee.

**M5.8** Further guidance for protest committees about misconduct may be found on the World Sailing website.

**M6 APPEALS (rule 70 and Appendix R)**

When decisions can be appealed,

- retain the papers relevant to the hearing so that the information can easily be used for an appeal. Is there a diagram endorsed or prepared by the protest committee? Are the facts found sufficient? (Example: Was there an overlap? Yes or No. ‘Perhaps’ is not a fact found.) Are the names of the protest committee members and other important information on the form?
comments by the protest committee on any appeal should enable the appeals committee to picture the whole incident clearly; the appeals committee knows nothing about the situation.

M7 PHOTOGRAPHIC EVIDENCE

Photographs and videos can sometimes provide useful evidence but protest committees should recognize their limitations and note the following points:

- The party producing the photographic evidence is responsible for arranging the viewing.
- View the video several times to extract all the information from it.
- The depth perception of any single-lens camera is very poor; with a telephoto lens, it is non-existent. When the camera views two overlapped boards at right angles to their course, it is impossible to assess the distance between them. When the camera views them head on, it is impossible to see whether an overlap exists unless it is substantial.
- Ask the following questions:
  - Where was the camera in relation to the boards?
  - Was the camera’s platform moving? If so in what direction and how fast?
  - Is the angle changing as the boards approach the critical point? Fast panning causes radical change.
  - Did the camera have an unrestricted view throughout?
APPENDIX N

INTERNATIONAL JURIES

See rules 70.5 and 91(b). This appendix shall not be changed by the notice of race, sailing instructions or national prescriptions.

N1 COMPOSITION, APPOINTMENT AND ORGANIZATION

N1.1 An international jury shall be composed of experienced sailors with excellent knowledge of the racing rules and extensive protest committee experience. It shall be independent of and have no members from the race committee, and be appointed by the organizing authority, subject to approval by the national authority if required (see rule 91(b)), or by World Sailing under rule 89.2(c).

N1.2 The jury shall consist of a chairman, a vice chairman if desired, and other members for a total of at least five. A majority shall be International Judges.

N1.3 No more than two members (three, in Groups M, N and Q) shall be from the same national authority.

N1.4 (a) The chairman of a jury may appoint one or more panels composed in compliance with rules N1.1, N1.2 and N1.3. This can be done even if the full jury is not composed in compliance with these rules.

(b) The chairman of a jury may appoint panels of at least three members each, of which the majority shall be International Judges. Members of each panel shall be from at least three different national authorities except in Groups M, N and Q, where they shall be from at least two different national authorities. If dissatisfied with a panel’s decision, a party is entitled to a hearing by a panel composed in compliance with rules N1.1, N1.2 and N1.3, except concerning the facts found, if requested within the time limit specified in the sailing instructions.

N1.5 When a full jury, or a panel, has fewer than five members, because of illness or emergency, and no qualified replacements are available, it remains properly constituted if it consists of at least three members and if at least two of them are International Judges. When there are three or four members they shall be from at least three different national authorities except in Groups M, N and Q, where they shall be from at least two different national authorities.
N1.6 When it is considered desirable that some members not participate in discussing and deciding a protest or request for redress, and no qualified replacements are available, the jury or panel remains properly constituted if at least three members remain and at least two of them are International Judges.

N1.7 In exception to rules N1.1 and N1.2, World Sailing may in limited circumstances (see World Sailing Regulation 25.8.13) authorize an international jury consisting of a total of only three members. All members shall be International Judges. The members shall be from three different national authorities (two, in Groups M, N and Q). The authorization shall be stated in a letter of approval to the organizing authority and in the notice of race and sailing instructions, and the letter shall be posted on the event’s official notice board.

N1.8 When the national authority’s approval is required for the appointment of an international jury (see rule 91(b)), notice of its approval shall be included in the sailing instructions or be posted on the official notice board.

N1.9 If the jury or a panel acts while not properly constituted, its decisions may be appealed.

N2 RESPONSIBILITIES

N2.1 An international jury is responsible for hearing and deciding all protests, requests for redress and other matters arising under the rules of Part 5. When asked by the organizing authority or the race committee, it shall advise and assist them on any matter directly affecting the fairness of the competition.

N2.2 Unless the organizing authority directs otherwise, the jury shall decide (a) questions of eligibility, measurement or rating certificates; and (b) whether to authorize the substitution of competitors, boards or equipment when a rule requires such a decision.

N2.3 The jury shall also decide matters referred to it by the organizing authority or the race committee.

N3 PROCEDURES

N3.1 Decisions of the jury, or of a panel, shall be made by a simple majority vote of all members. When there is an equal division of votes cast, the chairman of the meeting may cast an additional vote.

N3.2 Members shall not be regarded as having a significant conflict of interest (see rule 63.4) by reason of their nationality, club membership or
similar. When otherwise considering a significant conflict of interest as required by rule 63.4, considerable weight must be given to the fact that decisions of an international jury cannot be appealed and this may affect the perception of fairness and lower the level of conflict that is significant. In case of doubt, the hearing should proceed as permitted by rule N1.6.

N3.3 If a panel fails to agree on a decision it may adjourn, in which case the chairman shall refer the matter to a properly constituted panel with as many members as possible, which may be the full jury.

N4 MISCONDUCT (Rule 69)

N4.1 World Sailing Regulation 35, Disciplinary Code, contains procedures that apply to specific international events with regard to the appointment of a person to conduct any investigation. These procedures override any conflicting provision of this appendix.

N4.2 A person shall be responsible for presenting to the hearing panel any allegations of misconduct under rule 69. This person shall not be a member of the hearing panel but may be a member of the jury. Such a person shall be required to make full disclosure of all material that may come into his possession in the course of his investigation to the person subject to allegations of a breach of rule 69.

N4.3 Prior to a hearing, the hearing panel, to the extent practically possible, shall not act as an investigator of any allegations made under rule 69. However, during the hearing the panel shall be entitled to ask any investigative questions it may see fit.

N4.4 If the panel decides to call a hearing, all material disclosed to the panel in order for them to make that decision must be disclosed to the person subject to the allegations before the hearing begins.
APPENDIX R

PROCEDURES FOR APPEALS AND REQUESTS

See rule 70. A national authority may change this appendix by prescription but it shall not be changed by sailing instructions.

R1 APPEALS AND REQUESTS

Appeals, requests by protest committees for confirmation or correction of their decisions, and requests for interpretations of the rules shall be made in compliance with this appendix.

R2 SUBMISSION OF DOCUMENTS

R2.1 To make an appeal,

(a) no later than 15 days after receiving the protest committee’s written decision or its decision not to reopen a hearing, the appellant shall send an appeal and a copy of the protest committee’s decision to the national authority. The appeal shall state why the appellant believes the protest committee’s decision or its procedures were incorrect;

(b) when the hearing required by rule 63.1 has not been held within 30 days after a protest or request for redress was delivered, the appellant shall, within a further 15 days, send an appeal with a copy of the protest or request and any relevant correspondence. The national authority shall extend the time if there is good reason to do so;

(c) when the protest committee fails to comply with rule 65, the appellant shall, within a reasonable time after the hearing, send an appeal with a copy of the protest or request and any relevant correspondence.

If a copy of the protest or request is not available, the appellant shall instead send a statement of its substance.

R2.2 The appellant shall also send, with the appeal or as soon as possible thereafter, all of the following documents that are available to her:

(a) the written protest(s) or request(s) for redress;

(b) a diagram, prepared or endorsed by the protest committee, showing the positions and tracks of all boards involved, the course to the next mark and the required side, the force and direction of
the wind, and, if relevant, the depth of water and direction and speed of any current;
(c) the notice of race, the sailing instructions, any other conditions governing the event, and any changes to them;
(d) any additional relevant documents; and
(e) the names, postal and email addresses, and telephone numbers of all parties to the hearing and the protest committee chairman.

R2.3 A request from a protest committee for confirmation or correction of its decision shall be sent no later than 15 days after the decision and shall include the decision and the documents listed in rule R2.2. A request for an interpretation of the rules shall include assumed facts.

R3 RESPONSIBILITIES OF NATIONAL AUTHORITY AND PROTEST COMMITTEE

Upon receipt of an appeal or a request for confirmation or correction, the national authority shall send to the parties and protest committee copies of the appeal or request and the protest committee’s decision. It shall ask the protest committee for any relevant documents listed in rule R2.2 not sent by the appellant or the protest committee, and the protest committee shall promptly send them to the national authority. When the national authority has received them, it shall send copies to the parties.

R4 COMMENTS AND CLARIFICATIONS

R4.1 The parties and protest committee may make comments on the appeal or request or on any of the documents listed in rule R2.2 by sending them in writing to the national authority.

R4.2 The national authority may seek clarifications of rules governing the event from organizations that are not parties to the hearing.

R4.3 The national authority shall send copies of comments and clarifications received to the parties and protest committee as appropriate.

R4.4 Comments on any document shall be made no later than 15 days after receiving it from the national authority.

R5 INADEQUATE FACTS; REOPENING

The national authority shall accept the protest committee’s finding of facts except when it decides they are inadequate. In that case, it shall require the committee to provide additional facts or other information, or to reopen the hearing and report any new finding of facts, and the committee shall promptly do so.
R6 WITHDRAWING AN APPEAL

An appellant may withdraw an appeal before it is decided by accepting the protest committee’s decision.
APPENDIX S

STANDARD SAILING INSTRUCTIONS

This appendix applies only if the notice of race so states.

These Standard Sailing Instructions may be used at an event in place of printed sailing instructions made available to each boat. To use them, state in the notice of race that ‘The sailing instructions will consist of the instructions in RRS Appendix S, Standard Sailing Instructions, and supplementary sailing instructions that will be on the official notice board located at _____.’

The supplementary sailing instructions will include:

1. A table showing the schedule of races, including the day and date of each scheduled day of racing, the number of races scheduled each day, the scheduled time of the first warning signal each day, and the latest time for a warning signal on the last scheduled day of racing (see SI 5 below).

2. The location of the race office and of the flag pole on which signals made ashore will be displayed (SI 4.1).

3. A list of the marks that will be used and a description of each one (SI 8). How new marks will differ from original marks (SI 10).

4. The time limits, if any, that are listed in SI 12.

5. Any changes or additions to the instructions in this appendix.

A copy of the supplementary sailing instructions will be available to competitors on request.

7 THE COURSES
7.1 No later than the warning signal, the race committee will designate the course by displaying one or two letters followed by a number, and it may also display the approximate compass bearing of the first leg.
7.2 The course diagrams are on the pages following SI 13. They show the courses, the order in which marks are to be passed, and the side on which each mark is to be left. The supplement may include additional courses.
8 MARKS
8.1 A list of the marks that will be used, including a description of each one, will be included in the supplement.

9 THE START
9.1 Races will be started by using RRS 26.
9.2 The starting line will be between a staff displaying an orange flag on the race committee vessel and the course side of the starting mark.

10 CHANGE OF THE NEXT LEG OF THE COURSE
10.1 To change the next leg of the course, the race committee will lay a new mark (or move the finishing line) and remove the original mark as soon as practicable. When in a subsequent change a new mark is replaced, it will be replaced by an original mark.

11 THE FINISH
11.1 The finishing line will be between a staff displaying an orange flag on the race committee vessel and the course side of the finishing mark.

12 TIME LIMITS
12.1 The supplement will state which of the following time limits, if any, will apply and, for each, the time limit.
   • Mark 1 Time Limit    Time limit for the first board to pass Mark 1.
   • Race Time Limit      Time limit for the first board to sail the course and finish.
   • Finishing Window     Time limit for boards to finish after the first board sails the course and finishes.
12.2 If no board has passed Mark 1 within the Mark 1 Time Limit, the race shall be abandoned.
12.3 Boards failing to finish within the Finishing Window shall be scored Did Not Finish without a hearing. This changes RRS 35, A4 and A5.

13 PROTESTS AND REQUESTS FOR REDRESS
13.1 Protest forms are available at the race office. Protests and requests for redress or reopening shall be delivered there within the appropriate time limit.
13.2 For each class, the protest time limit is 60 minutes after the last board has finished the last race of the day or the race committee signals no more racing today, whichever is later.
13.3 Notices will be posted no later than 30 minutes after the protest time limit to inform competitors of hearings in which they are parties or named as witnesses and where the hearings will be held.

13.4 Notices of protests by the race committee, technical committee or protest committee will be posted to inform boards under RRS 61.1(b).

13.5 On the last scheduled day of racing a request for redress based on a protest committee decision shall be delivered no later than 30 minutes after the decision was posted. This changes RRS 62.2.

APPENDIX T

ARBITRATION

This appendix applies only if the notice of race or sailing instructions so state.

Arbitration adds an extra step to the protest resolution process but can eliminate the need for some protest hearings, thus speeding up the process for events in which many protests are expected. Arbitration may not be appropriate for all events as it requires an additional knowledgeable person to act as the arbitrator. Further guidance on arbitration can be found in the World Sailing International Judges Manual, which can be downloaded from the World Sailing website.

T1 POST-RACE PENALTIES

(a) Provided that rule 44.1(b) does not apply, a board that may have broken one or more rules of Part 2 or rule 31 in an incident may take a Post-Race Penalty at any time after the race until the beginning of a protest hearing involving the incident.

(b) A Post-Race Penalty is a 20% Scoring Penalty calculated as stated in rule 44.3(c). However, rule 44.1(a) applies.

(c) A board takes a Post-Race Penalty by delivering to the arbitrator or a member of the protest committee a written statement that she accepts the penalty and that identifies the race number and where and when the incident occurred.

T2 ARBITRATION MEETING

An arbitration meeting will be held prior to a protest hearing for each incident resulting in a protest by a board involving one or more rules of Part 2 or rule 31, but only if each party is represented by a person who was on board at the time of the incident. No witnesses will be permitted unless the arbitrator decides that he needs them. However, if the arbitrator decides that rule 44.1(b) may apply or that arbitration is not appropriate, the meeting will not be held, and if a meeting is in progress, it will be closed.

T3 ARBITRATOR’S OPINION

Based on the evidence given by the representatives, the arbitrator will offer an opinion as to what the protest committee is likely to decide:

(a) the protest is invalid,
(b) no board will be penalized for breaking a rule, or
(c) one or more boards will be penalized for breaking a rule, identifying the boards and the penalties.

T4 ARBITRATION MEETING OUTCOMES

After the arbitrator offers an opinion,

(a) a board may take a Post-Race Penalty, and

(b) a board may ask to withdraw her protest. The arbitrator may then act on behalf of the protest committee in accordance with rule 63.1 to allow the withdrawal.

Unless all protests involving the incident are withdrawn, a protest hearing will be held.
The Windsurfing Slalom Competition Rules for 2017-2020 (WSR) has been created as a convenient book for use at windsurfing slalom competition events. In slalom competitions boards will compete in elimination and only a limited number of them may advance from round to round.

S1.1 Add or change the next definitions:

**Capsized**
A board is *capsized* when
(a) she is not under control and slows down significantly because her sail is in the water or the competitor is separated from the board,
(b) The competitor is water starting.

**Finish**
A board *finishes* when any part of her hull, or crew or equipment in normal position, crosses the finishing line from the course side.

**Inside/ outside board**
*Inside* board is the board which course at that moment is the closest to a *mark* or *obstruction*. The other board is the *outside* board.

**Overtaking**
A board is *overtaking* from the moment she gains an *overlap* from *clear astern* until the moment the *overlap* is broken.

**Rounding or Passing**
A board is rounding or passing a mark or an obstruction from the time when her proper course is to begin to manoeuvre to round or pass it, until the mark or obstruction has been rounded or passed.

**Room**
The space a board needs in the existing conditions to sail her proper course to a mark or an obstruction and space to manoeuvre when rounding or passing this mark or obstruction including space to change the tack, if it is a part of the manoeuvre.
| **Serious damage** | A damage which worsens the performance of a board. |
Addendum SL

EXPERIMENTAL SLALOM RULES

S1.2 Add or change the following rules in Part 1:

2 FAIR SAILING
A competitor shall compete in compliance with recognized principles of sportsmanship and fair play. A competitor may be penalized under this rule only if it is clearly established that these principles have been violated or he/she was sailing in manner that can be considered as dangerous or reckless. The penalty shall be either disqualification or disqualification that is not excludable.

4 DECISION TO RACE
The responsibility for a competitor’s decision to participate in a race or to continue racing is his/hers alone.

8 LAST POINT OF CERTAINTY
When there is a doubt as to relationship or change of relationship between boards, the last point of certainty will apply.

S1.3 Add or change the following rules in Part 2:

Preamble to Part 2
The rules of Part 2 apply between boards that are sailing in or near the racing area and intend to race, are racing, or have been racing. However, a board not racing shall not be penalized for breaking one of these rules, except rule 14 when the incident resulted in injury or serious damage or rule 24.1. When rules 23 or 24 apply, the other rules in Part 2 do not. Delete the preambles of Sections A, C and D.

11 OVERTAKING
The overtaking board shall keep clear and the overtaken board shall not change course if as a result the other board would need to take action to avoid contact. The inside board is entitled to room.

13 CHANGING TACK
A board changing tack shall keep clear of a board which is not. If two boards are subject to this rule at the same time, the one of the other’s port side or the one clear astern shall keep clear.

14 AVOIDING CONTACT
A board shall avoid contact with another board if reasonably possible but no board shall be penalized under this rule unless there is contact that causes injury or serious damage.

15 Deleted

16 CHANGING COURSE
When a right-of-way board changes course or slows down, she shall give the other board room to keep clear.

17 Deleted

18 Rules 18.1,18.2(a),(b),(c)(e), 18.3 and 18.4 are deleted and replaced by:

**ROUNDING/PASSING MARK OR OBSTRUCTION**

An inside overlapped board or a clear ahead board is entitled to room when rounding/passing a mark or obstruction.

When an inside overlapped board must change a tack or bear away at the mark to sail her proper course, until she changes the tack or bear away she shall sail not farther from the mark than needed to sail that course.

21 **EXONERATION**

When a board is sailing within the room to which she is entitled, she shall be exonerated if, in an incident with a board required to give her room, she breaks a rule of Part 2.

24.1 A board not racing shall not interfere with a board that is racing and shall not sail in the course area defined in the sailing instructions when races are taking place except when the race is her own. A board that breaks this rule shall be penalized without a hearing from the race committee and her penalty shall apply to the race sailed nearest to the time of the incident.

24.3 During the last 30 seconds before her starting signal, a board that stops, slows down significantly, or one that is not making significant forward progress shall keep clear of all others unless she is accidentally capsized.
