

WINDSURF-FOIL OPEN – EQUIPMENT RULES

Competitors are free to use any board with the only restriction being that a board shall not exceed a “beam” width of 1005mm.

All types of board are permitted – production boards and custom/prototype boards.

There is no restriction on the dimensions of the foil; any number of foils may be used during the event.

Only one foil may be fitted to a board and used for any one race.

There is no restriction on the number of sails and rigs (mast/boom) that can be used during the event.

The sails may not exceed 11.0sqm in area.

RSOne and RSX Convertible Divisions

[Class Rules](#) apply.
