- Málaga airport is the biggest airport in the area and has the most connections with many cities and countries from around the world. All the cheap airlines operate out of the airport and cheap flights are nearly always available. You can take the train to Dos Hermanas (one stop before Seville) and then to El Puerto.

By train and bus

El Puerto is well connected to all of Spain and even has a high speed train connection with Madrid and Seville. Go to the Renfe (Spain's train company) website to get the most up to date information on train times and connections.
